**MAHAVEER PUBLIC SCHOOL**  
**JODHPUR**

# *Celebrating...* **20 GLORIOUS YEARS**

Mahaveer Public School, Jodhpur, promoted by Bhagwan Mahaveer Shikshan Sansthan and managed by our dedicated committee members, began its journey in April 2004 at Gaushala Maidan Sector, on land allotted in Ratanada, with an initial enrollment of 180 students. The school, committed to providing comprehensive education, has grown over the years, gradually expanding its infrastructure. Today, it proudly stands on approximately 4.5 acres of lush green landscape, featuring an Octagonal Main Compound with unique, fully ventilated and air-cooled premises surrounded by greenery. The school now accommodates over 2,500 students and strives to nurture learned and intellectual citizens of tomorrow.

## **OUR PHILOSOPHY**

Mahaveer Public School was founded to promote and support the learning, growth, and development of students, instilling the values of GYANA, CHARITRA, and DARSHAN. We cherish diversity within our school and community, which is built on trust, participation, and a shared sense of pride. The Mahaveer Public School family upholds the belief that great human beings make great leaders.

## **AFFILIATION**

We are affiliated with the Central Board of Secondary Education (CBSE), Delhi, offering education at the Secondary and Senior Secondary levels across all three streams: Science, Commerce, and Humanities. Our school is equipped with all the necessary tools and resources for teaching these subjects, and we adhere to fire protection regulations. The campus also features facilities such as a basketball court, skating rink, athletics track, and badminton court.

## **COLLABORATION AND ACCREDITATION**

Our institutional collaborations reflect our commitment to quality teaching, research, and responsible operational practices. We emphasize the importance of early-stage collaborations, organizing seminars and workshops led by international experts, and facilitating student mobility, exchange programs, and internships. The Alumni Association plays an active role in arranging career-oriented activities with an international perspective, including mentorship programs and career fairs. We maintain international networks and alliances that foster partnerships, enable benchmarking, promote knowledge sharing, and influence educational and research policies.

## THE SCHOOL AIMS AT HOLISTIC DEVELOPMENT OF STUDENTS AND TO MAKE THEM VALUE BASED GLOBAL CITIZEN

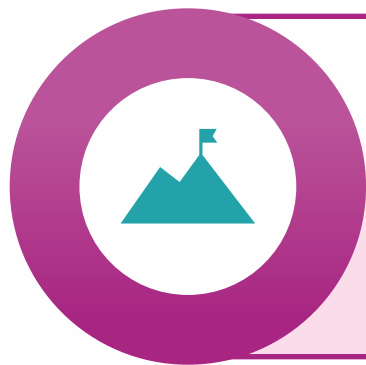

**GYAANA**

**SHAKTI**

**SRIJAN**

**To create a learning community of motivated students, diligent and passionate staff engaged in discovering and exploring the core competencies.**

**Academic excellence is the hall mark of Mahaveer Public School. The school is committed for futuristic education to create a more inclusive and productive world.**

**We at Mahaveer Public School believe and emphasize on our deep rooted culture and ethos which are ages old.**

## President's Message

**“True education helps us to cultivate humility, self-discipline, and a sense of responsibility.”**  
**– Dr. Sarvepalli Radhakrishnan**

As I reflect on my journey and the foundation of Mahaveer Public School, I am filled with immense gratitude and a renewed sense of purpose. Education, to me, is more than just the imparting of knowledge—it is the cornerstone of progress, a catalyst for transformation, and the most powerful tool to shape a society rooted in equality, curiosity, and strength.

Having spent my formative years in Madras (now Chennai), I developed a deep appreciation for the transformative power of learning. The values instilled during my time at A.P. Jain High School and Madras Christian College laid the foundation for my lifelong commitment to education. These experiences inspired me to sow the seeds of institutions that nurture not just intellect, but also character and creativity.

With this vision, I established Badalchand Sugankanwar Chordiya Girls Senior Secondary School and Mahaveer Public School under the aegis of Bhagwan Mahaveer Shikshan Sansthan. At a time when Jodhpur urgently needed quality educational institutions, I saw an opportunity to create a space where young minds could flourish, guided by dedicated educators and a thoughtfully designed environment.

Mahaveer Public School embodies our motto, **“Gyaan, Shakti, Srijan”** — knowledge, strength, and creation. These principles guide every aspect of the school's philosophy. We aim to provide students with not only the best academic foundation but also the life skills and values needed to navigate an ever-changing world. Here, curiosity is celebrated, individuality is respected, and the seeds of leadership are sown.

As we continue this journey, my vision is clear: to empower every child with the tools to dream big, think critically, and act compassionately. I firmly believe that each of our students carries the potential to become a beacon of change, illuminating the path for others.

Let us work together — educators, parents, and students—to build a future where education remains the bedrock of progress and the force that unites us all.

**GHEWAR CHAND KANUNGA**

Chairman

# The Secretary

As I reflect on the incredible journey of our school, I am filled with immense pride and gratitude. From the day this institution was founded, our vision has been to provide holistic education that not only nurtures academic excellence but also prepares our students to navigate a dynamic and ever-changing world. Over three decades, the landscape of education has transformed, and our school has evolved alongside it, staying true to our mission of fostering well-rounded, future-ready individuals.

In the early years, education was focused largely on rote learning, with a fixed curriculum that often left little room for creativity or critical thinking. Today, the paradigm has shifted dramatically. We have moved towards a student-centric approach that emphasizes skill development, problem-solving, and emotional intelligence. Technology has been a game-changer, transforming the way we teach and learn. Digital tools, interactive platforms, and virtual classrooms have opened up new horizons, and our school has embraced these advancements with enthusiasm, ensuring that our students are equipped with 21st-century skills.

Our journey has been one of continuous adaptation and innovation. From introducing smart classrooms and STEM labs to fostering arts, sports, and extracurricular activities, we have consistently prioritized a balanced approach to education. In doing so, we have created an environment that celebrates individuality, encourages exploration, and builds resilience. It is this blend of tradition and modernity that has empowered our students to excel academically and thrive as confident, socially responsible individuals.

As I look at our students today, I see a generation that is vastly different from what it was 30 years ago. They are more aware, inquisitive, and tech-savvy. They bring with them an energy and potential that inspires us to keep evolving. Our role as educators is to guide them, to harness their talents, and to prepare them for a future that will be shaped by artificial intelligence, global interconnectivity, and environmental challenges.

Looking ahead, I envision an education system that goes beyond knowledge acquisition. The future will demand lifelong learners who can adapt to rapid changes, collaborate effectively, and think innovatively. Our school is committed to cultivating these traits by integrating cutting-edge methodologies, nurturing a growth mindset, and fostering a culture of inclusivity and empathy.

As we celebrate 20 years of this remarkable journey, I reaffirm my belief in the transformative power of education. Our institution will continue to be a beacon of excellence, dedicated to shaping young minds and building a better tomorrow. Together, with the unwavering support of our staff, students, and parents, we will stride confidently into the future, ready to embrace new challenges and opportunities.

Let us celebrate the past, cherish the present, and remain steadfast in our pursuit of excellence for the years to come.

**RACHANA KANUNGA**

Secretary

# The Principal

Dear All,

As we bring out this edition of our school magazine, I am filled with pride and gratitude. Our school community has come together to create a vibrant and inclusive space for learning and growth.

I would like to thank our students, teachers, administration section, non-teaching staff and parents for their tireless efforts and contributions. Your dedication, creativity, and enthusiasm are what make our school shine.

This magazine is a celebration of our achievements, talents, and experiences. It showcases the diverse perspectives, ideas, and voices of our school community.

As we look to the future, I encourage every one of you to continue striving for excellence, embracing challenges, and supporting one another.

The partnership between parents and educators is vital in providing the nurturing environment children need to thrive. Together, we can help them build a strong foundation for success, happiness, and well-being.

It's essential to remember that parenting is a journey, not a destination. It's a journey of growth, learning, and self-discovery – for both our children and ourselves.

Parenting is built on love and guidance, with quality family time being the foundation that strengthens bonds and nurtures a child's growth.

In today's fast-paced world, it's easy to get caught up in the hustle and bustle of daily life. But as parents, it's crucial that we prioritize our relationship with our children and foster a nurturing environment that encourages their physical, emotional, and cognitive development.

We are witnessing a generation of students who are connected, informed, and eager to make a difference. We must support their academic, emotional, and physical well-being, giving them the space to grow and reach their full potential.

Please don't hesitate to reach out to us.

Thank you for being part of our school family.

**SWATI MEHTA**

Principal

# The Headmistress

*“You cannot make children learn, you can just provide them with the right conditions for learning to happen.”*

In our nurturing environment, we prioritise creativity and exploration, allowing students to academically and socially thrive. We aim to ignite a passion for knowledge that extends beyond the classroom by fostering curiosity and encouraging collaboration. Learning becomes a joyful journey where every child feels valued and inspired to reach their fullest potential. Together, we can create a vibrant community where education is not just a mandatory task but a lifelong adventure! The foundation of learning develops in our school; we make a second home for the students. Learning needs to be fun and healthy. We are committed to providing an environment where learning happens naturally. We aim to create a generation for tomorrow that is well-learned and extremely knowledgeable.

We are committed to providing the students with such an environment that learning automatically happens.

We not only learn academically but also help them in creating a safe and secure environment for themselves and their peers. We teach a very important lesson of good touch and bad touch at a school starting from nursery class. Each child is aware of how they have to protect themselves from the world around this was a mission for the session. We are not only creating academically whiz kids but also creating smart and vigilant human beings. We aim to create a generation for tomorrow that is well-learned and extremely knowledgeable.

**DIVYA GEHLOT**

School Headmistress

## The Coordinator

At Mahaveer Public School, we see education as the key to nurturing our highest potential. Within each of us lies a dream and a hope, which, when fulfilled, can lead to significant contributions to the progress and strength of our nation.

It fills me with great joy to recount the extraordinary strides our students and staff have made in academics, arts, and sports. Our dedication to cultivating well-rounded individuals and fostering a culture of innovation has yielded remarkable success.

We were trailblazers in introducing skill-based, activity-oriented learning alongside regular sessions dedicated to personality development. At our school, knowledge is enriched with ethics, and values always take precedence over mere evaluations. Our advanced teaching technology seamlessly integrates innovation with traditional education. Our sports teams have not only excelled in competitions but have also demonstrated exceptional sportsmanship. Similarly, the creative talents of our students shine through the freedom they are given to explore and express themselves artistically.

To ensure holistic growth, we organize various training sessions, outings, and in-house programs, providing students with exposure and learning experiences relevant to today's world.

As we look to the future, with our exceptional faculty leading the way, we are inspired by the boundless potential of every student. Together, we will continue to foster excellence and shape the leaders of tomorrow.

Thank you for being a part of our journey.

**SNEHA MEHTA**

School Coordinator

## OUR TENACIOUS TEAM, OUR PRIDE

# VOICE OF OUR YOUNG LEADERS

**"If your actions inspire others to dream more, learn more,  
do more and become more, you are a leader"**

**HEAD GIRL**

"Leadership is not just leading a team and achieving destination - it's about grooming every teammate towards excellence."

This profound citation suits best to Mahaveer Public School. As the head girl, it's an honor to reflect on the achievements, milestones achieved and memorable moments we share. Being part of such a vibrant community has given me an experience that is both humbling and inspiring.

Our institutional fraternity always works above and beyond to raise a high "Mahaveerian" flag. Our school is a holistic performer encasing every field of creativity, innovation and dynamics of academia.

As a students' representative I express immense gratitude to each and every one involved in shaping our school in the moulds of nobility and endeavor to soar higher and stronger.

**Nandini Rath**

Head Girl (2024-2025)

**HEAD BOY**

"Success is a diamond made under the pressure of hardwork and perseverance."

I was thrilled when I heard my name as the Head boy. I have been given a wonderful opportunity to fetch the flag of flawless MAHAVEER PUBLIC SCHOOL and to lead the Mahaveerians forward. In such a temple where goddess Saraswati resides, every individual acquires a chance to be magnificent, so as I. To all learners, this campus gives a manifesto for being victorious and for me, it created a base to the manor of my life. It was a great chance to assure everyone with my potential, punctuality, discipline and dedication. At this moment of life, I would like to thank my parents, family members, the school administration, principal and educators whose cosmic belief in me opened my wings to attain new heights. May the prestige of this institution persist illimitable.

**Kanishk Bhati**

# ACCOLADES

## THE EDUCATION WORLD INDIA SCHOOL RANKINGS

Mahaveer Public School has proudly received the prestigious award for two consecutive years. We were ranked no. 4 in Jodhpur amongst the co-ed schools in the session 2023-24.

The session 2024-25 bagged new laurels. We secured an all India ranking of 6. Our school was nominated as the 6th best school in India in the **"Campus Architecture and Design"** category. While we retained our 4th position in **"Co Ed Day School"** category.

While awards alone cannot fully capture the dedication and hard work our institution embodies, they serve as a testament to our relentless pursuit of excellence.

## A Tradition of Academic Excellence : **OUR STUDENTS' SUCCESS**

We are delighted to share the outstanding achievement of our students in the 2024 board examinations. This year, more than 60 students secured scores above 90%, showcasing their dedication and the exceptional quality of education at our institution. Our students excelled across various subjects, with several earning perfect scores of 100.

These stellar results are a testament to the relentless efforts of our dedicated faculty, who continually inspire and guide our learners toward excellence, and the unwavering commitment of our hardworking students. We take immense pride in their accomplishments and are committed to nurturing academic brilliance and holistic development.

Congratulations to all our students, their families, and our esteemed teachers for this remarkable achievement. Your success is the true reflection of perseverance and passion!

# EXPLORING BEYOND THE CLASSROOM – EDUCATIONAL VISITS AND FIELD TRIPS ENRICHING EDUCATIONAL VISITS FOR OUR STUDENTS

In our commitment to holistic education, our school organized a series of enriching educational visits, each one carefully curated to broaden the perspectives of our students. By visiting real-world sites and engaging with professionals, our students gained invaluable exposure to fields beyond their textbooks. Such visits serve as an extension of our classroom teaching, providing our students with immersive experiences that enhance learning and inspire future aspirations. These experiences cultivate curiosity, critical thinking, and empathy, which are all essential qualities in today's world. We're proud of the growth and insights our students gained from these experiences and look forward to many more opportunities to learn beyond the classroom walls.

Let's dive into some memorable journeys of exploration and discovery that have left an indelible mark on our young minds.

**Visit to FDDI :** Our Class 11 students visited the Footwear Design and Development Institute (FDDI), a leading center in design and manufacturing. This visit offered a unique glimpse into the world of design and technology. Students observed first hand intricate processes involved in footwear production, from concept development to final assembly, and got a taste of career paths in design, innovation, and engineering.

**Polymer Industry Visit :** In an effort to deepen student's understanding of the practical applications of chemistry, a group of students visited a polymer manufacturing plant. Here, they learned about the production of everyday materials, such as plastic and rubber, gaining insights into industrial processes and sustainability efforts within this vital industry.

**Air Force Station Visit :** Students also had the rare opportunity to visit an Air Force station, where they learned about the dedication and discipline of our nation's Air Force personnel. They were fascinated by the complex machinery, such as aircraft and radar systems, and were inspired by the stories of bravery shared by Air Force officers. The visit reinforced values of patriotism, discipline, and courage in our students.

**MMV Cultural Event :** Srijan A visit to MMV for the cultural event “Srijan” introduced our students to an array of cultural performances, ranging from classical dances to traditional music. The event was not only a vibrant display of Indian culture but also emphasized the importance of cultural preservation. Students returned with a renewed sense of pride and understanding of India's artistic heritage.

**iStart Ideathon (Pitch your ideas) :** iStart ideathon is an entrepreneurial event that aims to promote and ignite startup ideas among school and college students. Our young minds got empowered, their entrepreneurial spirit got nurtured, and they turned their innovative ideas into reality. Students learnt to leverage their technical and problem-solving skills and to develop innovative solutions for real-world problems. Mahaveerians registered the highest participation among Jodhpur. We also received the Institute of Future Innovator Award.

**Cyber Security Workshop at Hotel Radisson :** Students of XII standard attended a Cyber security seminar at Hotel Radisson. It was conducted by Narayanan Shastri Institute of Forensic Science and security. Students learnt about online scams and frauds and how to protect personal data from being stolen. Certificates were given to the students.

## UNWINDING AND BONDING – SCHOOL PICNICS AND TRIPS

Our school embraces the importance of balancing academic learning with moments of relaxation, exploration, and camaraderie. This year, we organized a series of exciting picnics and trips, each one bringing students closer together and giving them cherished memories to carry forward. Here's a look at these delightful journeys:

**Tour to Haldighati and Kumbhalgarh** – Students embarked on a journey to the historic sites of Haldighati and Kumbhalgarh. They relived the bravery of Maharana Pratap and learned about the rich heritage of Rajasthan. The trip combined a taste of history with adventure, and students were thrilled to witness the architectural marvels of Kumbhalgarh Fort, all while bonding with friends and teachers.

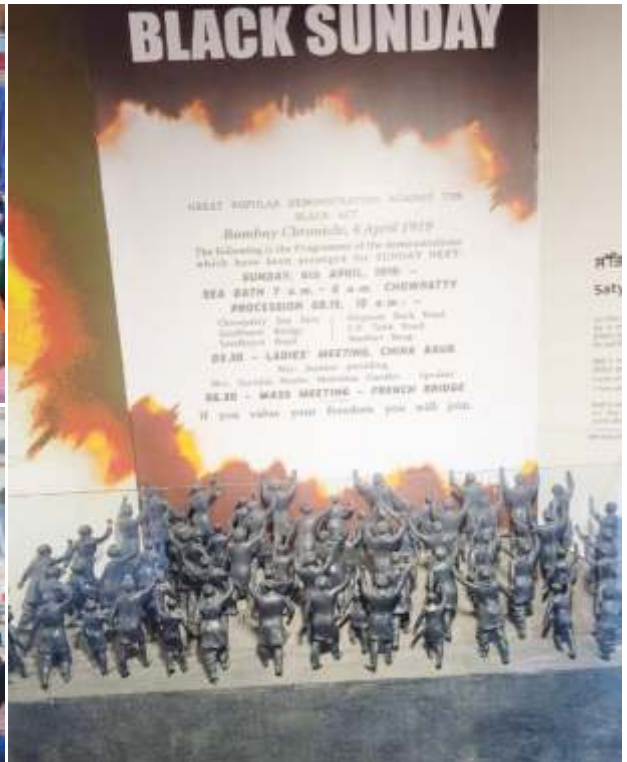

**Picnic to OTC** – For our younger students, a picnic was arranged at the Outdoor Training Centre (OTC), which provided a safe yet stimulating environment. Activities were designed to encourage teamwork, and students enjoyed games, nature walks, and team-building exercises. The day was filled with laughter and play, offering a much-needed break from routine.

**Amritsar and Chandigarh** – Classes 6 to 10 experienced the historical richness of Amritsar and the vibrant charm of Chandigarh. Highlights included the Golden Temple, the Wagah Border ceremony, and the serene beauty of Punjab and Chandigarh. This trip allowed students to immerse themselves in history and culture while sharing unforgettable experiences with their peers.

**Jawai and Ranakpur** – Our senior students explored the scenic beauty of Jawai and the spiritual ambiance of Ranakpur. Jawai's wildlife sanctuary offered thrilling sightings of leopards and other animals, while the famous Ranakpur Temple gave students a glimpse into ancient architecture. These moments of discovery and connection to nature left lasting impressions on everyone.

# EMPOWERING GROWTH AND KNOWLEDGE : SEMINARS AND WORKSHOPS

Seminars and workshops ensure a riveting flow of knowledge, thereby also bridging the gap between textbooks and real life. The passionate interaction and active participation during these events chisel the skills. Who doesn't have a scope of becoming better. Be it a teacher or a student or a parent, there is always a scope for becoming the best. This upskilling when done under the superintendence of subject matter experts, fructifies into a consolidated new learning.

We offer educational workshops for children, parents and teachers. Children's workshops target different dimensions of the child's personality; which are essential for global development. Some of these include personal build-up, gender education, stress free living, study skills and spiritual growth. They build upon the children's strengths by enabling them to open up to others easily and express their views, help them set positive impressions on their peers, allow sharing of ideas, and add to their own confidence. Sessions for parents enhance parenting skills while those for teachers target optimal teacher-student relationships and ways for teachers to deal with children better.

This year we hosted a range of impactful seminars and workshops. With sessions covering topics from mental health to financial literacy, our school has provided enriching opportunities to foster growth, resilience, and awareness across the entire community. Many more workshops and seminars added depth and diversity, making this a year of immense learning and engagement.

A significant Stress Management Workshop led by Dr. Monika Gwalani offered valuable techniques for managing stress, benefiting both students and teachers in today's demanding environment. Teachers participated in the Happy Classroom Workshop, gaining insights into creating positive and engaging learning environment.

A series of sessions dedicated to professional and personal well-being were also held. The Bank of India conducted a valuable session for teachers on financial planning, while Tata AIG led an Insurance Awareness Workshop, informing the staff on key aspects of life and health coverage. Furthermore, Bank of Baroda took session for students and teachers, Educating about basics and functionalities of banking.

Our school prioritized safety and awareness through collaborations with community leaders. The Jodhpur Traffic Police educated students on essential traffic and road safety guidelines, and Hero Honda company organized a Traffic Awareness and Road Safety session that also addressed head injury prevention and distributed Helmets.

A CBIC Anti-Drug Campaign provided essential education on drug abuse, encouraging students to make informed choices.

We hosted inspiring seminars with leaders like Dr. K.L. Sharma, Bhagwat Singh Sisodia, Mr. Raghav, Mr. Anurag from ISDI, and Mr. Deepak Kewaliya, Mr Naman Mohnot who offered career insights, motivation, and diverse perspectives to guide students in pursuing their ambitions.

To support teaching methods, Aanchal Kumawat led a session on Memory Retention Techniques .

Dr. Namrata Mehta and Mr. Manish Mishra hosted a training on managing Stress and Behavioral Issues for teachers and students .

Health and wellness workshops were another highlight. P&G conducted a Hygiene Workshop specifically for girls, encouraging good hygiene habits and personal care. The Rashtriya Swasthya Mission and Health Mission also contributed by promoting health awareness within the school and also distributed medicines to the students. Mental wellness was emphasized with a Mental Health Awareness session for both students and teachers, fostering a supportive environment for open discussions on mental health.

We had many Career Counseling sessions for our students so that they get clear picture for their dreams and the way to pursue their dreams. Here we mention some of the sessions we held with experts. Prof. (Dr.) K. L. Sharma Principal, Parmanand Sharma Smriti Mahavidyalaya guided students about the electronic department and other various branches of engineering. The session with Dr. Avinash Bohra explored about possibilities for student in biotechnology .a broad insight about Avenues in Aviation were given by Mr. Bhagwat Singh Sisodia. Mr. Raghav Sharma, took a session on robotics and start up symphonies. Mr Anurag from Mumbai informed students about new prospects of employment and current trend of courses. Mr Deepak Kewaliya guided students bout careers as a CA, CS and CMA. Ms. Shikha Jain mentored students to realize their dreams of studying abroad.

To cap off the year, Mr. Ganpat Bijarnia inspired students, sharing invaluable insights that motivated everyone to aim high and dream big.

Through these diverse seminars and workshops, along with many more sessions held throughout the year, Mahaveer Public School continues its mission of empowering students and teachers with the tools and knowledge to thrive both inside and outside the classroom. Each event has left a positive impact, ensuring our school community grows stronger and more informed with every opportunity.

# SCHOOL PODCASTS

Digitalization is massively happening in all the spectrums of education. The current digital consumption of knowledge and learning has increased manifold. The use of podcasts as a tool for education and professional development has increased in popularity in recent years. Podcasts are a convenient and flexible way to stay informed and current. Sensing the nerve of the present and syncing with the

better, newer and in trend ways of knowledge dissipation, we stepped in the world of podcasting.

The Mahaveer Public School Podcast is a categorically indigenous platform. Right from the conception of the idea for podcast, to write, produce, film, edit and finally air it, is done in the school and by the school representatives. The pilot episode of our podcast was aired on International Women's Day. It was graced by esteemed veterans of the education realm of Jodhpur. Our accomplished School Principal, Ms Swati Mehta ma'am added her vibrant insights to the show. The education connoisseur, Principal of Delhi Public School, Ms Abhilasha Shaw shared her diligent discernment in the podcast. The Director of Vidyashram School, the language jargon Ms Nihali Jain disseminated her erudition in the pilot episode.

This was just the start. It lead to a series of insightful podcasts, addressing various aspects of importance. Take for example, the episode "Kal Aaj aur Kal" was honored by the astute presence of our Chairman sir, Shri Ghevar Chand ji Kanunga and our Secretary ma'am Ms Rachana Kanunga. Our sans pareil Headmistress Ma'am Divya Gehlot moderated this talk, reminiscing about the past, present and enshrining the future prospects of Mahaveer Public School.

**MAHAVEER PUBLIC SCHOOL**  
**KAL, AAJ AUR KAL**  
*Podcast 2*

One of our episodes addressed the concerns related to mental well being. This fast moving age has budded various stress triggers for students and parents. The easy way for dealing with these were suggested by Ms Namrata Mehta who is a well known and senior most clinical psychologist of Jodhpur. She also mentors our 11th and 12th students who have opted psychology as a subject for Board Exams as a faculty. This episode was moderated by our special educator Ms Meeta Yadav , while our senior faculty Mr Kamlesh Kalla gave an educator perspective.

We had a very interesting session recorded with our language teachers: Ms Savita Batra (Sanskrit), Ms Urvashi Chouhan (Hindi) and Ms Sonia Sharma (English). It was moderated by our Social Studies facilitator Mr Saiyam Kasat. It was a riveting discussion about the importance and relevance of learning various languages in school education.

Another one was where we upheld our tradition of congruous involvement of parents with our school activites. They were the proud parents of our board achievers who made all of us shine with their hard work. Our faculty Ms Shivani Bhati shared insights for the board students, while the parents gave a purview of the role of parents in a child's excellence in education.

# CELEBRATING TOGETHER : FESTIVALS THAT LIGHT UP OUR SCHOOL

We just don't celebrate festivals here, they are cherished moments of togetherness, joy, and learning. Each festival is an opportunity for our students to dive deep into the values and traditions that shape our culture. Through special assemblies, vibrant soft board decorations, and engaging activities, we ensure that students not only celebrate but also understand the significance of these special occasions.

The **Rakhi celebration** fostered bonds of love and protection, while **Diwali** brought the warmth of lights and a sense of triumph of good over evil. **Navratri** saw the school energized with the spirit of devotion, as students participated in dances and prayers. **Ganesh Chaturthi** and **PARYUSHAN** united everyone in seeking blessings and forgiveness, teaching students the values of humility and compassion.

On **Gandhi Jayanti** and **Lal Bahadur Shastri Jayanti**, the ideals of simplicity, truth, and leadership were beautifully portrayed through inspiring speeches and role-plays. The "**Har Ghar Tiranga**" campaign, along with **Independence Day** and **Republic Day**, infused a sense of patriotism, with students participating in flag hoisting and cultural performances celebrating the nation's freedom and unity.

**Mahaveer Jayanti**, a day close to our hearts, highlighted the values of non-violence and self-discipline. **Basant Panchami**, with its vibrant yellow hues, welcomed spring and **Saraswati Puja**, celebrating the goddess of wisdom. Lastly, **Shivaji Jayanti** invoked courage and leadership in students, honoring the legacy of one of India's greatest warriors.

These celebrations bring our school together, creating lasting memories and instilling in every student the timeless values that make us who we are.

# CELEBRATING MILESTONES : SPECIAL EVENTS AT OUR SCHOOL

The school year has been a vibrant tapestry of events, each woven with the threads of joy, achievement, and togetherness. These milestones not only fostered school spirit but also celebrated the values and talents that define our institution.

## THE ANNUAL SPORTS DAY

The Annual Sports Day was a spectacle of energy and enthusiasm, showcasing the perseverance and sportsmanship of our students. The grounds buzzed with excitement as participants competed in track and field events, team games, and other activities. The camaraderie among students, coupled with the cheers of teachers and families, created an electrifying atmosphere, making it a day to remember.

**TEACHERS' DAY** was a heartfelt tribute to the mentors who shape young minds. The students expressed their gratitude through touching speeches, creative performances, and small tokens of appreciation. The warmth and affection exchanged on this day reaffirmed the deep bond between students and teachers.

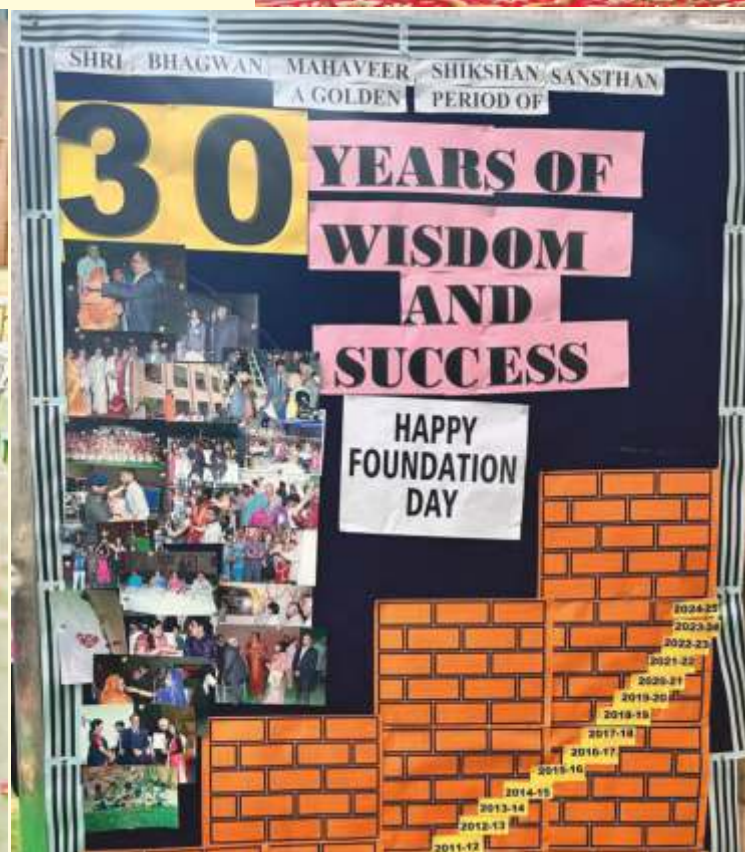

## CHILDREN'S DAY

brought unbridled joy as teachers stepped into the spotlight to entertain the students. The roles were reversed, with educators presenting skits, songs, and games that filled the campus with laughter and delight. It was a celebration of the innocence and happiness that children bring to the world.

## FOUNDATION DAY

This year, the Foundation Day marked an especially significant milestone – the 30th anniversary of our institution. The occasion was both a moment of reflection and celebration. A beautifully presented skit took the audience on a nostalgic journey, recounting the school's remarkable growth and achievements over the decades. It was a proud reminder of the legacy that continues to inspire us.

## FAREWELL CEREMONY

Finally, the Farewell Ceremony for the graduating Class 12 students was an emotional and meaningful conclusion to the year's events. The farewell was filled with speeches, music, and moments of reminiscence that celebrated the achievements and memories of the students' school journey. As they prepared to step into new chapters of their lives, blessings and best wishes echoed throughout the gathering.

Each of these events enriched the school year, leaving indelible memories and reinforcing the values we hold dear. Together, they wove a narrative of community, growth, and celebration that will be cherished by all who were part of it.

# ENGAGING MINDS AND NURTURING SKILLS : ACTIVITY-BASED LEARNING AT MAHAVEER PUBLIC SCHOOL

At Mahaveer Public School, Jodhpur, our commitment to quality education combines modern technology with an active, hands-on approach to learning. Equipped with smart classrooms and well-designed labs, our students engage in meaningful activities that make learning an experience, not just a lesson.

In English, activities like debates, role-plays, and creative writing workshops transform our classrooms into platforms for expression and critical thinking. Students practice language skills while developing confidence in their speaking and listening abilities.

In Maths, we take learning beyond formulas with games, puzzles, and real-life problem-solving exercises. Geometry projects and math lab activities encourage students to visualize complex concepts, making abstract ideas feel tangible and relevant.

Hindi is enriched with poetry recitations, storytelling, and drama, immersing students in the language's beauty. Through these activities, students connect deeply with the cultural and literary roots of Hindi.

Our Sanskrit classes incorporate chanting, translations, and role-playing of ancient stories. This approach fosters a genuine appreciation for this classical language, bridging history and modern understanding.

Social Studies lessons come alive with role-plays, model-making, and debates on historical events, governance, and geography. Students explore India's cultural diversity and global perspectives, fostering a better understanding of society and the world.

In Science, learning is hands-on, with experiments in biology, chemistry, and physics labs. From dissecting plants to observing chemical reactions, students experience the scientific process firsthand, inspiring curiosity and discovery.

Computer Science/IP builds essential skills in coding, digital creativity, and problem-solving. With activities like coding challenges and digital design, students are equipped for a technology-driven future. Our 100 school students are partnering with IBM Skills Builds program.

For Grades 11 and 12, our school offers a wide variety of subjects, including Legal Studies, Political Science, History, Psychology, Fine Arts, Hindustani Vocal Music, Geography, Artificial Intelligence, Information Practices, Mathematics, Applied Mathematics, Taxation, Financial Markets Management (FMM), Yoga, Hindi, Physics, Chemistry, English, Biology, Business Administration, Business Studies, Economics, Accountancy, Physical Education, and Computer Science. This extensive selection empowers students to pursue their unique academic and career goals.

With our focus on experiential learning, Mahaveer Public School ensures that every student's educational journey is as comprehensive as it is inspiring, paving the way for outstanding academic results and a lifetime of success.

# WHERE PASSION MEETS POTENTIAL

**Nurturing Talents Beyond Academics : Clubs, Personality Development, and Creative Arts at our school**

At Mahaveer Public School, our clubs, personality development sessions, and creative arts programs work in harmony to shape well-rounded individuals. These initiatives provide a vibrant platform for students to explore their passions, develop critical life skills, and express their creativity.

The **Financial Literacy Club** introduces students to the fundamentals of budgeting, saving, and investing. Through engaging workshops and interactive games, students gain practical skills in money management, preparing them for real-world financial responsibilities.

In the **Community Connection Club**, students take on projects like '**Best Out of Waste, Eco-awareness campaigns**', and Charity initiatives. These activities not only nurture creativity but also cultivate empathy, a sense of responsibility, and environmental stewardship.

The **Language Clubs**, focussing on Hindi and English Elocution, polish students' oratory and communication skills. From reciting inspirational poems to debating current topics, students build their confidence and learn the art of effective expression.

The **Shlokas Club** immerse students in ancient Indian wisdom, where they study timeless verses, understand their meanings, and imbibe moral values. This unique experience foster introspection, discipline, and a connection to our rich cultural heritage.

Complementing these is the **Personality Development (PD) Program**, which empowers students of Grades 3 to 12. With a focus on communicative skills, social etiquette, leadership, and self-presentation, these sessions groom students to excel in academics and life.

# AN ENERGETIC START: SPORTS ACTIVITIES DURING THE MORNING HOUR

At Mahaveer Public School, the Morning Activity Hour is a time for students to awaken their minds and energize their bodies through engaging sports activities. This segment focuses on fostering fitness, discipline, and teamwork while ensuring students start their day on a dynamic note.

**Karate :** Instilling discipline and self-defense techniques, karate helps students build resilience, focus, and confidence.

**Skating :** Enhancing agility and balance, skating offers students a thrilling way to develop coordination and endurance.

**Chess :** Known as the game of kings, chess sharpens critical thinking, strategic planning, and problem-solving skills in a fun and engaging way.

**Floorball :** This fast-paced team sport develops collaboration, quick decision-making, and physical stamina while fostering team spirit.

**Yoga :** With its calming and restorative exercises, yoga enhances flexibility, improves concentration, and promotes inner peace and mindfulness.

**Table Tennis :** A game of precision and speed, table tennis improves hand-eye coordination, reflexes, and strategic thinking.

**Kho Kho :** This traditional game hones agility, teamwork, and quick reflexes, keeping students actively engaged and energized.

**Athletics :** From sprints to long-distance running, athletics builds endurance, strength, and a competitive spirit.

**Gymnastics :** Encouraging flexibility, balance, and core strength, gymnastics enhances overall physical fitness and grace.

**Kudo :** Combining martial arts and self-defense, kudo instills confidence, physical strength, and mental alertness.

**Wushu :** This traditional Chinese martial art improves flexibility, coordination, and self-discipline, inspiring students to achieve their best.

**Handball :** A high-energy team sport, handball fosters collaboration, quick decision-making, and cardiovascular fitness.

These diverse activities provide a structured yet enjoyable way to cultivate both physical fitness and mental focus, setting a solid foundation for the rest of the school day.

## UNLEASHING CREATIVITY : ARTISTIC PURSUITS DURING THE DAY

In addition to physical activities, Mahaveer Public School offers a rich array of creative arts classes throughout the day. These classes inspire imagination, nurture talents, and provide students with opportunities to express themselves in meaningful and creative ways.

**Music Classes :** inspire a love for rhythm and melody. Students learn **Vocal Music**, exploring classical and contemporary genres, while **Instrumental Music** training helps them master instruments like the keyboard, guitar, tabla, and flute. **Our school's acclaimed Flute Band is a testament to this dedication, with its national-level recognition.**

**Dance Classes :** Offering styles ranging from Indian classical and semi-classical to contemporary dance, these sessions allow students to explore cultural diversity and celebrate the art of movement.

**Art Classes :** Students experiment with various mediums, including clay modeling, tie-and-dye techniques, and mosaic artwork. These classes encourage innovation and craftsmanship while teaching valuable technical skills.

These creative activities enrich the students' overall learning experience, fostering a sense of achievement and self-expression. Together, the sports and creative arts programs ensure that students at MPS receive a balanced education that stimulate both body and soul.

# EMBRACING DIVERSITY : A JOURNEY OF COMPASSION AND UNITY

A study by Unicef States that an estimated 240 Million children have disabilities worldwide. They might be different from some, but what stays same in all the children is the dreams for future. each one of the specially abled child deserves similar love and respectful inclusion

Inclusivity is at the heart of our values. We also transmit this value in practice to our students by organising Our Rakhi exhibition, in collaboration with Navodya Manovikas Sansthan, was a testament to this belief. The beautiful rakhis crafted by specially abled individuals were proudly purchased by our students and teachers, showcasing solidarity and support for the Sansthan's noble work.

## CELEBRATING TALENT AND TOGETHERNESS : INCLUSIVE SPORTS WITH HEART

Our students also had the opportunity to interact with extraordinary individuals, engaging in heartwarming activities that built empathy and understanding. Inclusive sports competitions were organized like Kho-Kho, Musical Chairs etc. Mahaveerians are proud to have a spirited competition with Paralympians. Our children were really excited to cheer for both sides of the competition. These moments were a reminder that every individual, regardless of ability, has unique talents to share. Together, these initiatives helped us embrace the essence of inclusivity and compassion.

## GIVING BACK WITH LOVE : SPREADING GENEROSITY AND CARE

Adding to the spirit of giving back, our school joined hands with many philanthropic organizations like robin hood army. Students contributed with donating toys, books, clothes, household utility items, water bottles, tiffins, pencil boxes and other stationery reinforcing the values of generosity and community care.

**250 Plants were planted under another initiative by our students as our contribution to a greener future.**

## BRINGING THE NATION'S ACHIEVEMENTS TO LIFE : CELEBRATING KEY MILESTONES TOGETHER

At Mahaveer Public School, national pride and awareness are woven into our curriculum. Our students were thrilled to witness the success of Chandrayaan-3, as the mission was streamed across classrooms via smart boards, sparking awe and inspiration. Pariksha Pe Charcha, a vital initiative by the Prime Minister, was shown and discussed, encouraging students to embrace stress-free exam preparation.

To foster civic responsibility, students participated in a mock election, learning firsthand the importance of democracy and the electoral process. Additionally, discussions on Ram Lalla Pratishtha provided cultural insights, while the Swachh Bharat Mission saw our students campaigning for cleanliness and hygiene across the campus.

We proudly embraced the "Har Ghar Tiranga" campaign, filling our hearts with patriotic spirit. The significance of sacrifice and bravery was honored during the week-long celebration of Kargil Vijay Diwas, reminding students of the valor of our soldiers. Through these initiatives, we bring to life the nation's milestones, inspiring the future generation to contribute to India's progress.

# NATIONAL-LEVEL COMPETITIONS

## A Testament to Our Students' Excellence And Diverse Talent on Display

Our students have shown remarkable determination and academic prowess by participating in a wide range of national-level competitions. Their dedication and hard work have already led to them clearing several rounds, with some even emerging victorious in various events. While some results are still to be announced, the journey so far has been nothing short of inspiring.

The competitions in which our students are currently engaged span a wide array of disciplines, highlighting their diverse talents and intellectual abilities. From testing their general knowledge in the **India Quiz by Twinning Owl** to displaying their mathematical acumen in the **World Maths Championship**, our students have been putting forth their best efforts. Their participation in these events is a reflection of their commitment to excellence and a constant pursuit of knowledge.

In the realm of science, our students have participated in the Science Olympiad Foundation, while also engaging in thought-provoking challenges such as the Vidhyarthi Vigyan Manthan and the **Globe Science and Environment Olympiad**. Their ability to think critically and solve complex problems is evident, and they continue to make strides in these highly competitive fields.

Furthermore, many of our students are showcasing their leadership potential through competitions like the **Prodigy Hunt - Junior IAS**, where strategic thinking and decision-making skills are put to the test. The **National Talent Search Test** continues to be an avenue for bright minds to shine, with our students excelling in its rigorous selection rounds.

Spelling enthusiasts have also found their place in the **India Spelling Bee**, where our students have performed admirably, proving their linguistic skills. The **CTST** and **Logiqids** competitions are further helping them sharpen their logical reasoning and problem-solving abilities.

Creativity is also being celebrated through platforms like the Rang Competition and Immerse **Education Essay Competition**, where students are demonstrating their artistic and literary talents. Meanwhile, the **International Hindi Olympiad** provides our students an opportunity to display their mastery over language and literature.

Other competitions, such as the **Finance Olympiad**, **Economics Olympiad**, and the **Veer Gatha Project 5.0**, have allowed our students to delve deeper into their interests and explore various fields of knowledge, from economics to environmental consciousness. They are also making their mark in the **Green Olympiad**, demonstrating an understanding of sustainability and global environmental issues.

Lastly, events like **HCL Jigsaw**, **IFRAO**, and **IFCO** have tested our students' strategic thinking, creativity, and leadership, offering them a platform to showcase their ability to work in teams and tackle complex challenges.

Our students' continued success in these prestigious competitions not only highlights their academic strength but also speaks to the holistic education they are receiving. With each competition, they continue to grow, evolve, and make us incredibly proud. We eagerly await the final results and look forward to celebrating their accomplishments, confident that their hard work will pave the way for even greater achievements in the future.

Smile

Smile is not only a style  
But a chile of happiness,  
A single smile just like mine  
could travel round the earth,  
We all do need  
a plant of smile to reed  
to fill the earth with the  
plants of good deeds  
smile is not only a style  
but a pile of happiness.

## बचपन

खिलौनों की दुनिया के हम फिर राजा कहलाएँ  
चलो बच्चा बन जाएँ..

कटी हुई पतंग के पीछे दौड़ें, धूम मचाएँ  
चलो बच्चा बन जाएँ..

कुल्फी वाले की घंटी सुन घर में शोर मचाएँ  
डॉट पड़े जब अम्मा जी की बड़ा-सा मुँह फुलाएँ  
चलो बच्चा बन जाएँ..

उस मिट्टी की गुल्लक में कुछ सिक्के  
और भर पाएँ  
चलो बच्चा बन जाएँ..

ग्रंथ चौहान  
Class 3 A

## विचार मेरे

कुछ की तुम क्रांतिकारी हो, किसी का हो तुम याराना,  
या प्रेम शब्दावली हो।

इकरार और इनकार की बातें, लोग तुमसे ही कर पाते हैं,  
उर्दू में तो अटक से जाते, अंग्रेजी से कतराते हैं।

चक्करघिन्नी लगती हो, अलि अली के अंतर में,  
हौले से आती हो समझ, फिर लग जाती नया खेल रचने।

अभी लगा था समझ आ गई, फिर एक दुविधा नई आ गई,  
समानार्थक भिन्नार्थक में, नए अलंकार तुम ले आई

मां के ज्योंहि तुमको भी मैं, ना डांट कभी भी सकती हूँ,  
हो नही कभी जो आती समझ, फिर भी मैं तुम्हे ही चुनती हूँ।

जैसे तुम्हारा शब्दकोश, वैसे ही है विचार मेरे,  
कहना चाहते हैं इतना, कि कहीं तुम्हें ही ना लिखदे तुम में?

नंदिनी राठी

XII - Science

## कलम से लेख सजाती हूँ मैं

कलम से लेख सजाती हूँ मैं, हाँ लेखिका कहलाती हूँ मैं  
कलम पे जो भरोसा रखती हूँ मैं, उससे लेख सजाती हूँ मैं  
यही मेरा दोस्त है यही मेरा साथी, इसके साथ ही रहती हूँ  
और इसके साथ ही लेख सजाती, हाँ लेखिका हूँ मैं।

लेख लिखना मुश्किल है आज लिखा है मैंने  
फिर भी मैं लिखती रहूँगी, जब तक लेखिका हूँ मैं,  
विचारों को लेख में व्यक्त करती हूँ मैं, उससे लेख सजाती हूँ  
हाँ लेखिका कहलाती हूँ मैं।

कलम में बहुत ताकत है, आज देख लिया है मैंने,  
जब तक उसका हाथ पकड़ा है, लेख लिखती रहूँगी मैं,  
हाँ लेखिका हूँ मैं।

पुस्तक मेरी शस्त्र है, और कलम मेरा अस्त्र है,  
आज वही मेरे साथ है और वही रहेंगे,  
क्योंकि लेखिका हूँ मैं॥

Deepika Kachhwaha  
Class VI B

## मेरे पापा

थके हुए घर आते पापा,  
फिर भी है मुस्काते पापा

खेलखिलौने, रबड़ी, लड्डु,  
रोजाना घर लाते पापा

सब के साथ प्यार से रहना,  
हम को यह समझाते पापा

Tanisha Shekhawat  
Class VI D

## कक्षा का आखिर दिन

आज वक्त ये आया है आज घड़ी ये आई है ।  
एक वक्त ऐसा था जब पास हम आपके आए थे,  
और यह वक्त ऐसा है जब हम यहा से जाएंगे।  
क्या पता सब्जेक्ट टीचर बनकर,  
आप हमारा फिर से साथ निभाएगे,  
पर एक क्लास टीचर जैसी बात कहा से लाएगे।  
कहते हैं कक्षा अध्यापिका दूसरी मां होती है,  
एक मां के जैसा प्रेम फिर कहा से लाएंगे।  
औरों में वह बात नहीं जो एक क्लास टीचर में होती है,  
एक मां के भाती सबकी देखभाल जो करती है।  
कुछ वक्त की बात । कुछ वक्त का साथ ।  
पता नहीं कैसे बीता यह पूरा साल।  
बस यही कहना चाहेंगे भूलना ना हमें कभी आप।  
रखना सदा आशीर्वाद।  
इन्हीं पांक्त्यों के साथ देते हैं अपने शब्दों को विराम।

**Rudraksh Soni**  
Class IX D

## अद्वितीय बचपन

अब तो याद बन गया है बचपन  
बीता हुआ कल सुनकर याद है बचपन  
जिंदगी जीने का मजा, मासूम सी अदा है बचपन  
हमारा दिल और दिल की धड़कन है बचपन  
थोड़ा खट्टा, थोड़ा मीठा, चटपटा है बचपन  
थोड़ी मस्ती, थोड़ी शरारत, अल्लहड सा है बचपन

**Mani Gehlot**  
Class V C

## GROWING UP

Once who were little kids,  
Roaming around the garden with swings  
Are now in their school mids,  
Handling all the peer pressure and their mood swings  
Once who never had a worry in the world  
Is now fighting so he isn't called "undeserved"  
How beautiful is the journey of going from class nursery to class twelfth,  
Realizing all this was just for some materialistic wealth?  
The undeniable truth of humanity existing before wealth and health,  
Is known to everyone from commonman to Commonwealth!  
And thus this truth shall be instilled in every kind heart at school  
To increase strength, not the ill minds and ill health.

**Rashi Bhojwani** - Class XI D

## SANSKRIT'S FLOW

Sanskrit's flow, the roots run deep  
Valmiki's verse in rhythmz sweep  
Like Eminem's rap, fast and tight  
Shlokas echo, ancient and bright,  
Hindu hymns the **OM** still sings.  
Tuning hearts like guitar strings.

From ragas to rap, making the world a stage.  
Sanskrit links us age to age  
Languages grow but Sanskrit stays  
A melody that forever plays.

**Samarveer Dave**  
Class X A

## NEVER LOSE HOPE

Never lose hope  
Never say you can't  
Always say you can and you will  
Great success can never be achieved without failure  
Failure is not quiescent  
It is wrathful  
But again I say never lose hope  
Life never gets easy  
You should toil yourself  
Sometimes the situation get nefarious  
And you feel anguish  
But never lose hope  
Never lose hope

**Bhumika Maheshwari**  
Class 11 'E'

## THE CLIMB OF NEW BEGINNING

In the dawn of new endeavor  
In the wake of new adventure  
Taking few steps make you realize  
This daunting task make you paralyze  
Starting something new itself is an uphill battle  
Not for those who rattle  
With each step you climb  
You Mark a new sign  
Sure it's arduous  
It's demanding but reaching top is momentous  
Remember with tenacity and perseverance  
You can endure and overcome any hindrance

**Bhumika Maheshwari**  
Class 11 'E'

## HAPPY INDEPENDENCE DAY!!

To the Indian patriotes  
Witnessing a 78 year old Nation's glide.  
Decorates equivalent to a bride.  
In the morning bright.  
Standing side by side Feeling pride  
In hymning high the national anthem  
Holding high the national pride  
Remembering the strides.  
Happy 78th Independence day!!

**Avdesh**  
Class X A

## SAVE ENVIRONMENT

Save our planet! Our Earth needs our help. The air is getting polluted, rivers and oceans are filled with plastic, trees are being cut down, and climate change is making the earth sick. But we can make a difference! Redue, Reuse, Recycle by using reusable bags and water bottles, turning off lights and electronics and recycling paper, plastic and glass. Plant trees to give oxygen, shade and homes for animals. Conserve water by turning off taps when not needed and using buckets for bathing, keeping our surroundings clean by picking up trash and not littering. Walk or cycle instead of driving.  
Every small action helps! Create a recycling bin or plant a tree. Let's together make this world a better place to live in!

**Chatendeep**  
Class- 5 E

## IMPORTANCE OF EXERCISE IN TEENS

Exercise is not just about physical health, it encompasses mental well being, social interaction and the development of life long habits.

### 1. Physical Health Benefits

Regular exercise plays a significant role in promoting overall physical health among teens: With rising rates of weights in adolescents, regular exercise helps to maintain a healthy weight.

Activities such as running, swimming and cycling improve heart health which is crucial during these developmental years which helps to maintain cardiovascular fitness.

Weight bearing exercise like jumping or resistance training strengthen muscles and bones, reducing risk of injuries and conditions like osteoporosis in later life.

Regular activity can enhance the immune system, helping teens to fend off illness.

### 2. Mental Health Benefits

Exercise is not just beneficial for the body, it is also substantially mental health.

Engaging in exercise releases the "feel good" hormones, which can alleviate the feeling of sadness and anxiety.

Achieving fitness goals, whether it's running a certain distance or mastering a skill can boost self confidence and body image. Physical activities serve as a productive outlet for managing stress, helping teens to cope up better with academic pressure and social challenges.

**Akshay Chaurasiya**

Class- IX -A

## OLYMPIC

Imagine a world where athletes from different countries come together to compete, not against each other, but in celebration of humanity's shared love of sports. That's exactly what the Olympic represents. The Olympic Games are a multi-sport event held every four years that brings athletes from around the world together to compete in various events and showcase their skills.

### HISTORY

The Olympic Games have a rich history that dates back to ancient Greece, where the games were held as a religious festival in honor of Zeus. Over time, the game evolved into a celebration of athletic excellence and international unit. The modern version of the Olympic was established in 1896, and since then, it has been held in cities all over the world, from Athens to London to Rio de Janeiro.

### SPORTS AND COMPETITION

The Olympics feature competition is a wide range of sports, from traditional events like track and

field and gymnastics to more modern sports like skateboarding and surfing. The competition is fierce, with athletes pushing themselves to the limit to win the gold, silver, and bronze medals. But at the same time, the Olympics promote a spirit of sportsmanship, as athletes from different countries come together to celebrate their shared love of sports.

### THE OLYMPIC SPIRIT

The Olympic Games are more than just a sports competition; they are a symbol of international unity and peace. The Olympic motto, "Citius, Altius, Fortius"

(Faster, Higher, Stronger), embodies the spirit of the games and inspires athletes to push the limits of human achievement. The Olympics bring people together, regardless of their race, religion, or nationality, and showcase the best that humanity has to offer.

**Adharv Bhati** Class- IX -A

## SAVE THE EARTH

Lives are crying because it's not clean,  
Earth is drying because it's not green.  
Earth our dear mother,  
Don't pollute it dear.  
She gives us food, shelter, so just salute it.  
She's in danger. Let's save her,  
By becoming a strong ranger.  
Plant more trees, just go green and start loving them.

With melting snow,  
One day it will sink.  
How can we save it, just think!  
Trees are precious, preserve them, water them,  
treasure them, reserve them.

I'm the voice of wind and pouring of rain,  
I'm the voice of your hunger and pain,  
I'm the voice that always calls you,  
I'm the voice that will remain.

I'm the voice in the fields  
when the summer's gone,  
The dance of leaves  
When the autumn winds blow.  
Never do I sleep throughout all the cold winter long,  
I'm the voice of the past that will always be.  
Filled with my sorrow and blood in my fields.  
I'm the voice of the future,  
Bring me your peace,  
Bring me your peace,  
And my wounds, they will heal!  
I'm the voice in the winds and pouring rain  
And make the Earth beautiful again.

**Janisha**  
Class VII C

## I LOVE MY SCHOOL

My school is Mahaveer Public School. It is one of the best schools in my city. The building of my school is huge and grand. The gate at my school is very high and broad. There are forty classrooms, a hall, large library, three laboratories and 7 staff rooms. All the rooms are airy and we'll ventilate. We are like a family in our school. The teachers are very kind and cooperative. Our school principal is also a very kind and competent woman. Our school has 3 big playgrounds. There is a big management of games and sports in my school. My school also takes part in various extracurricular activities. The atmosphere of my school is positive and suitable for studies. I love my school very much.

Class IV E

## IF I BECAME TITOO FOR ONE DAY

When I become Titoo, I will spread joy and laughter everywhere I go. As a mischievous and playful bird from the popular cartoon, I will use my quick will and clever mind to make everyone smile.

First I will fly to school and hospital sharing jokes and playing pranks on my friends. My chirpy "Titoo, Titoo" will echo throughout the corridors, brightening the dull days.

Next I will visit park and gardens, planting colorful flowers and trees to beautify the surroundings. Children will delight in watching my dance amidst the blooming garden.

As Titoo I will also teach valuable lessons on friendship, kindness and empathy. My adventures will showcase the importance of helping others and being true to oneself.

With my infectious laughter and playful spirit I will bring people together, creating a world filled with happiness and harmony. When I become Titoo, everyday will be a new joy of celebration.

**Tisha Jain** Class IV E

## TRAVELOGUE; WHAT DID I LEARN

I am sharing my experience of my study trip to Jaipur. There are so many places to visit for study. Some of them are \*Science Park, \*Hawa Mahal, \*\*City Palace, \*\*Albert Hall Museum\*, etc. These places tell us about our past, the wars, the weapons used in the wars, the dresses people wore, etc.

One of the places I loved the most was the \*Science Park\*. At first, when I entered the park, I thought it was for young kids, but my thoughts changed as I started visiting the rooms one by one. I was like, "Wow, it's so beautiful!" It is for both young children and teenagers. Even adults and elderly people can visit this park. This park teaches us everything related to science, like how air is present around us, how microorganisms move and look, how balloons fly, how gravitational force works, how rockets are built, and much more. There were short videos on topics like force, the moon, the human body,

etc. There were also so many exhibits that explained everything about science. There were lots of science-related games as well.

A session was also held on physics, chemistry, space, and oceans. In the chemistry session, a live experiment was conducted. There was also a room dedicated to the past, which explained historical weapons as well as our struggle for independence. There were many more rooms related to science.

I think you must visit the places mentioned above if you want to learn about history and science. Even if you don't have an interest in science, you should visit the \*Science Park\* in Shastri Nagar, Jaipur.

Class VIII D

## 100 PROBLEMS ONE SOLUTION : EXERCISE

In today's generation physical movement plays a vital role in everyone's life. Especially teenagers whether it's running, walking, even for 10 minutes exercise a day is better than doing nothing at all. There are many health benefits of exercising, it enhances our cognitive functions. It slows down our aging process. It keeps us healthy and fit. It boosts energy levels which is very crucial for teenagers. Many teens waste their time on the phone and scroll mindlessly. Exercise would make them more disciplined and that would also prevent too much screen time. If one cannot afford to go to gym they can go for a run or follow a daily workout routine by any youtuber that can be done at home. Exercise has emotional and mental benefits too. It reduces stress, anxiety, promotes calmness and even encourages one. Working out with friends

motivates one to do it the next day. According to the World Health Organization 80% of teens don't exercise daily due to lack of motivation.

Exercise boosts up our overall well being and the quality of our life.

Class- IX

## INFLUENCE OF SOCIAL MEDIA ON ME

Social media has profoundly impacted my life, shaping my thoughts, emotions, and interactions.

On the positive side, platforms like Instagram and Facebook have connected me with friends and family worldwide, fostering global relationships and community engagement.

However, excessive social media consumption has led to :

- Comparison and self doubt
- Sleep deprivation
- Decrease attention span and productivity
- Increased stress and anxiety

To mitigate these effects, I've implemented strategies :

- Setting time limits and boundaries

- Following inspirational and educational content
- Engaging in meaningful online discussions
- Prioritizing real life connections

By acknowledging social media's influence and adapting my usage, I strive for a healthier balance between the virtual and real world.

**Bhagyashree Jaitmal**

Class- 8 C

## SAVING THE ENVIRONMENT

In the era in which climate change looms large, the call to action for environmental presentation is louder than ever. Saving the environment is not merely a responsibility, it's a collective mission that requires each of us to step up. One impactful way to contribute is through the adoption of eco-friendly habitats that reduce our carbon footprints. By making

conscious choices, we can protect our planet and its precious resources.

Additionally, the integration of green technology into our daily lives can revolutionize the way we interact with the environment. Innovations like electric-vehicles and energy-efficient appliances are paving the way for a cleaner, greener future.

By embracing these advancements, we can reduce reliance on non-renewable resources and significantly lower greenhouse gas emissions. Ultimately, it's about creating a harmonious balance between progress and preservation ensuring that we leave a thriving planet for future generations.

Class- VIII C

## I LOVE MY SCHOOL BECAUSE

I love my school because it is a place where I learn many new things every day.

My teachers are very kind and always help me understand lessons as well as new techniques.

The classrooms are bright and clean, and there are colorful charts on the walls that all make Learning fun.

I also enjoy playing with my friends during recess.

We have a Library with many interesting books, and enjoy reading books there.

We also have fun activities like drawing, singing and sports.

My school celebrates special days like Independence Day, children's Day, where we can perform on stage.

I love my school because it has a big playground where we can run and play games like football.

**Saransh Tak**

Class- III-A

## BEST OF BACHPAN

Childhood is a time of learning and playing. It is full of fun and laughter. We make our first friends during childhood. School days are an important part of childhood. We learn many new things from parents and teachers. During childhood we are so curious, we ask many questions. Simple joys like playing outside makes us happy. We have fewer worries and more time to explore. Childhood memories stay with us forever. It is a special time that shapes our future.

**Latika Choudhary** Class V-E

## MY SCHOOL

My school name is Mahaveer Public School. I am feeling proud for my school as it stood 4th in Jodhpur and 18th in Rajasthan in the Education World India School Ranking Award. All teachers are very kind and sweet whenever we are in trouble. They always help us and they also teach us about self defense. We have many activities like sports, music, and clubs. We enjoy our library and dance periods. I love my school, thank you so much teachers, Principal ma'am and other staff for making it the most beautiful place for children.

**Mishti Jain** Class V - E

## I LOVE MY SCHOOL

My school is a very beautiful place. Its name is Mahaveer Public School.

I study and play at school.

Our school starts with a prayer in the morning and we all wear our school uniform.

My school teaches me discipline and respect towards teachers and elders.

My school is very clean and hygienic. It is in a pleasant environment surrounded by trees.

I love my school so much that I eagerly wait to go to school everyday.

**Janesh Bhati** Class III E

## IF I BECOME DORAEMON FOR ONE DAY

I will help everyone with my gadget.

I will taste Dora cake which is the favorite sweet of Doraemon.

I would go anywhere in the world using the gadget.

I would be able to meet my favorite cartoon characters – Nobita, Shizuka, Sunio and Jian.

**Yuvraj Sharma**

Class III E

## SAVING THE ENVIRONMENT

Saving our environment should be the first motto of everyone's life. The environment refers to the surroundings in which life exists on earth. Components like animals, humans, sunlight, water, trees and air make up the environment. They are the earth's living components such as the sun, water, air are essential for man's life. Both living and non living organisms are dependent on each other to maintain a balanced ecosystem. A disturbance in any of the categories will create chaos in the entire ecosystem and threaten the environment just like the growing human population has become a threat to the environment. Global warming is a major threat to the environment. Every tiniest change in the nature balance makes it difficult for every living organism to survive in the environment. So we should try more and more to save our environment.

**Paarth**

Class V-E

## PROTECTING OUR ENVIRONMENT

### INTRODUCTION

The environment is the natural world around us, including the air we breathe, the water we drink, and the land we inhabit. Its health is vital for our survival and well being. As a student, understanding environmental issues is crucial for shaping a sustainable future.

### IMPORTANCE

Environment conservation is essential to maintain ecological balance, deforestation, pollution, and climate change are threatening biodiversity.

### INDIVIDUAL RESPONSIBILITY

Every individual plays a role in environmental protection by adopting eco-friendly practices such as recycling, reducing energy consumption and we can minimize our environmental footprints.

**Abhay Chouhan**

Class V C

## MY DREAM WHEN I GROW UP

Everyone of us wants to be something when we grow up. We all have one or the other kind of a dream job that we would like to do one day. When I grow up I want to be a doctor. I want to heal and help people. I dream of making it my profession. They are heroes because they do our check ups and make us fit and fine. I want to open my hospital and treat poor people for free. I will take care of every patient and I will try my best to cure them.

**Gaurav Sankhla**

Class : V-C

## MY TOUR EXPERIENCE

This was an educational tour organized by my school, to Punjab. I was so glad to be with my friends for the first time but there was nervousness too. This was my first experience of traveling without family. I have also learnt how to behave in public, how to be patient, how to manage the situation, etc. As it was an educational tour we learnt how the things, situations and management are different in other states. As all the places are beautiful but here are my favorites :

**1. Golden Temple** - I really liked the peaceful environment. We had to follow some certain regulations like covering your head with a handkerchief or dupatta. As we enter there is a lake where we wash our feet and further the instructor guides us around. Even with a crowd there is peace, later we are distributed Prasad which is Langar. On exiting we get water in steel bowls and have to wash our feet.

**2. Wagha Border** - By far the best place to visit as one feels proud for the nation. Seeing our nation being active towards the parade feels energizing. And having to see Mr. Neeraj Chopra as the Chief Guest was unbelievable.

**3. Sada Pind** - This is where we get to learn about Punjab. The ancient traditions, dance, dressing, food, hobby, etc. making one so interested to look more into.

Overall, we had the time of life, making memories which will stay with us till the end. The experience was just unforgettable.

**Vedika Swami**

Class VII A

## STAYING SAFE IN THE CYBER WORLD MEANS STAYING SAFE IN THE REAL WORLD

In today's digital age, the lines between our online and offline lives are increasingly blurred. Staying safe in the cyber world is not just about protecting our devices and data, it also directly impacts our safety in the real world. As we navigate through social media, online shopping and various digital platforms, understanding the importance of cybersecurity has become essential for everyone.

One of the primary concerns in the cyber world is the protection of personal information. When individuals share sensitive data such as their address, phone numbers or financial information they expose themselves to risks like identity theft and fraud. Cybercriminals often use this information to impersonate victims, leading to severe consequences in real life. Therefore, employing strong passwords using two factor authentication, and being mindful of what we share online are crucial steps in safeguarding our identities. By taking these precautions, we can not only protect ourselves online but also ensure our safety in the real world.

**Jahanvi Barasa**

Class VIII C

## BEST OF BACHPAN

### CHILDHOOD

It's the golden era of everyone's life and the most fun and memorable time. It's the first stage of life which we enjoy in whatever way we like. It's the time filled with innocence, imagination and endless possibilities. Besides, this is the time that shapes up the future.

### PLAY AND IMAGINATION

Childhood is marked by play. Whether it was running around in the neighborhood or playing traditional games, these activities foster creativity and teamwork. Imaginative play, like pretending to be a superhero, a cop or any other possibility, encourages children to dream big and think outside the box.

### LEARNING THROUGH EXPERIENCE

In Bachpan, learning happens outside the confines of the classroom or home. From helping parents, discovering the wonders of nature, these experiences are invaluable. They develop

a sense of curiosity and a love for learning more that lasts lifelong.

### LESSONS OF RESILIENCE

Childhood is also a time of challenges, whether it's facing fears, learning to share or overcoming setbacks. These early experiences of resilience lay the groundwork for handling life's future challenges.

### CONCLUSION

The essence of bachpan lies in its simplicity and richness. It is the time of exploration, growth and unfiltered joy. As we navigate adulthood, the lessons and memories from childhood remain as a guiding light, reminding us of the importance of creativity, friendship and resilience. Embracing the best of bachpan can inspire us to maintain a sense of wonder and joy in our lives, no matter our age.

**Bhagyashree Jaitmal**

Class VIII C

## THE RISE OF SANSKARI GEN Z

### A CULTURE RENAISSANCE

In the past few years a certain bunch of Indian youth have coined the words "SANSKARI GEN Z" people who are trading the balance of self respect and the modern world as they reach their core values. With the rise of western culture and modern trends, according to Sanskari Gen Z, the new generation, it has never been easier to combine the foundations of both worlds.

### CULTURE HERITAGE AND NATIONALITY

India's Sanskari Gen Z, on the other hand, is defined by the reverence for its roots as a people. Many of their international predecessors may have opted for a westernized way of life, but this cohort is directly engaged in religion, ceremonies and festivals.

They observed the important events such as Diwali and Holi with vigor, often attempting to get their friends onboard with the aim to foster a feeling of unity and exclusivity.

It is a reflection of an interesting dichotomy where they take pride in their past but are also receptive to new things. It also means that they are able to operate well under both traditional and modern systems and act as a bridge across different generations.

### FAMILY AND EXPECTATIONS

Family is a strong bond for most Sanskari Gen Z. They value family relationships and frequently ask elders for advice and support

**Yashasvi Soni**

Class- IX B

## VISION FOR INDIA IN 2047

Our nation India gained independence in 1947 and became a republic in 1950, as a nation we have progressed over the past few decades. I envision India as a global leader in technology and sustainability, education, innovation and international cooperation. India has the potential to become an ideal of hope and motivation for the world.

One of the most striking features of India in 2047 will be rapid development of infrastructure. They will have a well connected network of roads, railways, and airports and most importantly development will take place eco- friendly.

In terms of health care, India 2047 will rank 1st in the world for best medical facilities accessible to all citizens. India 2047 will have the scope for providing facilities to the ground level in rural areas for the threatening disease like cancer.

But if we see the growing population of our country, it may become a barrier to our

development, because if our population keeps growing like this, we will need more resources which will become a problem for us.

Education will also make significant progress. The government schools will be the first choice of every citizen. There will be highly qualified teachers and professors who will be helping students with a wide range of educational resources and co- curricular activities, which will enhance their learning.

In conclusion India 2047 will be nation that has embraced technology, innovation, education, economy, strong international relations to drive its growth and development and will be well positioned to take on future challenges

**Niharika Baghela**

Class- VIII B

## CHANGING INDIA

Today, India is changing in every field. The changing face of India represents both challenges and opportunities. India is developing with advancement in various fields. This change is visible in every aspect from economic growth to technological advancements and from social norms to political structure.

### TECHNOLOGICAL ADVANCEMENTS

Technology is something which is significantly transforming our country. India has emerged as a global hub for technology. The Indian government has played a vital role in promoting and developing technology in the country. The technological revolution in India has been remarkable.

### SOCIAL CHANGES

Socially, India is becoming more progressive. We with unity have overcome stereotypes, discrimination, etc. and fought for establishing

equality among all. The youth are increasingly participating and ending social causes. Progressive laws have been implemented for any social issues such as untouchability, child labour, domestic violence, etc.

### ECONOMIC CHANGES

India is today one of the fastest growing economies of the world. The Indian economy has transformed into a vibrant, rapidly growing consumer market with increasing purchasing power. The country is now recognised as a global economic power.

### CONCLUSION

The changing face of India is a blend of traditional values, ethics and modern ideas making it a country that is continuously growing and evolving. India promises a future of growth, inclusivity and prosperity.

**Pranavi Gehlot**

Class- VIII C

## SAVE ENVIRONMENT

The environment is the base of the life cycle. It is the most important gift by nature but now living beings are destroying it. Saving the environment is very important for living a comfortable life. It is the biggest challenge to its real state. But nothing is impossible.

As we know that a damaged environment risks the expectancy of life, we need to take some steps to revert our environment to its original form. Deforestation needs to be stopped fully because trees are our best friends and they create balance between Oxygen and Carbon-dioxide. Pollution is the greatest enemy of the environment. Humans can use bicycles for covering short distances.

The use of electric vehicles should be increased. Apart from this, waste management, recycling and using natural resources efficiently are some powerful ways to save our environment.

**Drishti Soni** Class V – D

## SAVING THE ENVIRONMENT

The environment is everything around us, like trees, animals, rivers, and even the air we breathe. Right now, the Earth is in trouble because people are cutting down too many trees, using too much plastic, and polluting the air and water. That's bad for the animals and even for us!

But the good news is we can help! Here are some simple things we can all do. First, plant more trees. Trees give us oxygen, and they help keep the air clean. Second, recycle paper, plastic, and cans, so we don't throw everything into the trash. We should also save water by turning off the tap when brushing our teeth. Another cool idea is riding bikes or walking more instead of using cars, which make the air dirty with pollution.

If we work together and make small changes, we can save the Earth and keep it beautiful for all the animals, plants, and even future kids. So, let's start today by being kind to our planet!

**Srishti Panwar**

Class VI - E

## "A DREAM I REMEMBER"

I vividly recall a childhood dream that has stayed with me through the years, its details etched in my heart like a precious painting. In the dream, I flew over a lush meadow filled with vibrant flowers, feeling the warmth of the sun on my face and the wind in my hair. A beautiful white horse transformed into a magnificent unicorn with a single horn, radiating wonder and magic. I felt invincible, with the unicorn by my side, and the possibilities seemed endless. The dream inspired freedom, clarity, creativity, and imagination, and it remains a cherished snapshot of my childhood innocence and curiosity.

This memory reminds me to hold onto dreams and never lose sight of possibility. It continues to inspire me, and as I reflect on that dream, I'm reminded to stay curious and open-hearted. Life's beauty lies in simplicity, and that dream's magic still whispers to me. In its gentle breeze, I find my worries fade away, and with every memory, my heart feels lighter."

**Karunya**

Class V - B

## I LOVE MY SCHOOL BECAUSE

As my school is very far away from my home, my parents asked me many times to change schools but I request every time not to do this because I love my school so much.

My teachers are so co-operative and always support me. Our school has the best teaching techniques with creative mode.

Many times situations occur where I face many problems due to long distance but then also I don't want to change.

My parents have many times wanted to meet the class teacher to discuss some problem but due to long distance it is not possible to come to school and meet the class teacher. But still they are satisfied because my teacher always resolves their problem through phone only.

Students feel safe and happy due to the best management of school.

I conclude in a few words, my school is the best school in Jodhpur in all respects. Any situation

cannot restrict me to be a student of Mahaveer Public School.

I always feel proud to be a student of Mahaveer Public School.

**Hemanya**

Class-III A

## LITTLE SINGHAM : MY SUPERHERO DREAM

Little Singham is every kid's favorite character, and I'm thrilled to imagine myself as him.

**When I become Little Singham, I'll :**

- Protect Jodhpur from villains
- Save people from various challenges
- Use the powerful Panja Attack
- Appear wherever someone shouts, "Little Singham, aaya hai!"

**As Little Singham, I'll wear :**

- A stylish khaki uniform
- Trendy black sunglasses

People will know me as Ajay, but my superhero alter ego will be Little Singham, the brave and fearless protector of Jodhpur.

**My superhero family and team will include :**

- My Mummy as Black Shadow
- My father as Vijay Wonde (Bromance Vijay)
- Partners : Maskauya and Barate
- Best friends : Babli and Grattu

**Together, we'll fight :**

- Criminals
- Monsters
- Dangerous mutants

**To save my city, I'll also become :**

- Hero of Jodhpur
- Hero of Singham Returns

With my team, I'll ensure justice and safety for all, inspiring others to join me in the fight against evil.

**Mishti Solanki**

Class- IV B

## स्मार्ट फोन का अति उपयोग से होने वाले दुष्परिणाम

आज के डिजिटल युग में, स्मार्ट फोन हमारे जीवन का महत्वपूर्ण अंग बन गया है। स्मार्ट फोन के अति उपयोग ने हमारे जीवन को सुबह उठने से लेकर रात को सोने तक पूरे जीवन शैली को प्रभावित किया है। संस्कृत में बहुत प्रसिद्ध श्लोक है “अति सर्वत्र वर्जयेत” जिसका हिंदी अनुवाद है कि ‘अति करने से हमेशा बचना चाहिए’, अति का परिणाम हमेशा हानिकारक होता है। इस प्रकार स्मार्ट फोन के अति उपयोग ने मानव जीवन को न केवल शारीरिक बल्कि मानसिक दुष्प्रभाव डाला है।

स्मार्ट फोन का अति उपयोग से होने वाले दुष्परिणाम इस प्रकार से हैं :

1. स्मार्ट फोन के ज्यादा इस्तेमाल करने से आंखों की रोशनी कमजोर और खुजली की समस्या हो रही है।
2. नींद कम आने की समस्या बढ़ रही है।
3. याददाश्त कमजोर हो रही है।
4. वर्तमान समय में ऑनलाइन एप्स पर शॉर्ट विडियोज के कारण विद्यार्थियों का बहुत सारा समय उन्हीं में निकल जाता है। इससे उनकी पढ़ाई का भी नुकसान हो रहा है।
5. ऑनलाइन गेम की लत पड़ने के कारण मानसिक तनाव बढ़ता है।
6. गाड़ी चलाते या चलते समय स्मार्ट फोन का इस्तेमाल करने से दुर्घटना का खतरा बढ़ रहा है।
7. सामाजिक जीवन से दूर होकर एकाकी जीवन जी रहे हैं।

वर्तमान समय में बड़ों से ज्यादा छोटे बच्चे स्मार्ट फोन के आदी हो गए हैं जिससे उनका शारीरिक और मानसिक विकास प्रभावित हो रहा है। स्मार्ट फोन का उपयोग सीमित समय और स्मार्ट तरीके से करके इसकी उपयोगिता बढ़ाई जा सकती है।

## वो सुनहरा भ्रमण

आओ चले फिर उस सफर पर  
मृदुल मधुरता जिसमें समाई है,  
अखंड परिश्रम व कला के कारण जहाँ पर  
विजय की ध्वजा लहराई है।

आरंभ से ही ज्ञान हमें शक्ति स्वरूप दिखाई दिया  
सहारा जिसे बनाकर हम ने बोर्ड में ऊँचा नाम कियाया  
परिदों से पंख पसार उड़ने का ख्याल हम ने ठान लिया  
सूर्य सी चमक पा कर हम सब ने विद्यालय का श्रृंगार किया।

खेल-कूद के विषय में हम ने  
अनुपम आवेग दिखलाया है,  
रवि विश्नोई जैसे विद्यार्थियों ने हमारे  
शीश पर सुनहरा ताज सजाया है।

अपनी मधुर आवाजों से उस ध्वनि यंत्र ने  
महावीर पब्लिक स्कूल का गर्व असीम बखान किया है,  
सफल बैंड नाद की श्रेणी में हम विद्यार्थियों ने  
अपने विद्या घर का नाम बखूबी उभार दिया है।

अदभुत कलाओं के कारण हर पल  
निर्जीव वस्तुओं में भी जान पनपती दिखलाई है,  
ऐसे अनमोल छात्र हैं यहाँ पर  
जिन्होंने इस प्रांगण में एक मनोहर दुनिया सजाई है

अध्यापकों ने सीखाया हम सबको  
जीवन जीने का सही ढंग  
मानवता की मूर्ति संरचित कर उन्होंने  
भर दिए हम सब में सफल व्यक्तित्व के रंग।

चारों तरफ की ख्याति हम सब ने  
एक दूसरे को उत्थित कर कमाई है,  
CO - ED दिवस में प्रमाणता पाकर  
हम ने इस शिक्षालय की शान बढ़ाई है।

उर्ध्व दर्जा विख्यात करवाकर  
पूर्णता का महल हम सब ने बनाया है  
झरोखे में मानो हर पल जिसके  
नाम हर महावीरयन का समाया है।

वाद - विवाद हो या हो अन्य प्रतिस्पर्धाएं  
एक मिसाल स्वरूप हम ने स्वयं को बनाया है  
अनेक मिट्टी के पात्रों में भोजन परोसकर  
एक विश्व अभिलेख हम ने भी रचाया है।

लालसा मन में एक चमक रही की  
सर्वदा करते रहे कुछ ऐसा हमय  
निखारते रहे इस पावन धरा को  
व बना दे इसे एक उच्च समक्षता का संगम।

कनिष्क की अवलेखनी

# SPORTS

God Medals are not really made up of gold. They are made of sweat, determination and hard to find alloy called guts.  
- Dan Gable

## CELEBRATING OUR STUDENTS' SPORTS & GAMES ACHIEVEMENTS IN 2024-25

Our school has once again proved to be a hub of talent, with students excelling in a wide range of sports at the district, state, and national levels. From archery to wushu, skating to table tennis, athletics to handball, yoga, gymnastics, volleyball, kabaddi, dodgeball, chess, cycling, basketball, and kho kho, this year's achievements highlight the dedication and hard work of our athletes.

As we celebrate their success, we are also excited for the 2024-25 sports season. Our athletes are ready to continue competing and achieving on local, state, and national stages. Every day, students start their day with a sports period, where they practice and improve their skills under the guidance of experienced coaches. This not only helps them perform better in sports but also teaches important life skills like teamwork and resilience.

In today's world of sports, we focus on helping each student reach their full potential and succeed at the highest levels. Our athletes have participated in many competitions, gaining valuable experience that has contributed to their growth both on and off the field.

Looking ahead to the 2024-25 season, we are excited to see our athletes continue to shine. We are proud of everything they've achieved and will continue to support them on their athletic journeys. Their hard work is evident in their victories and the lessons they've learned along the way.

Looking Ahead to 2024-25 :

As we celebrate these outstanding achievements, we are already excited for the upcoming year. Our athletes are gearing up for more competitions, and with even more talent emerging, we can expect another year of success. Congratulations to all our champions and their coaches for their dedication and hard work.

### ARCHERY – CBSE NATIONAL & DISTRICT LEVEL ACHIEVEMENTS

Mohit Vaishnav (IX-B) :

- CBSE National Level Archery
- District Level: Gold Medal –  
Recurve Round (70m, 60m, 50m, 430m)

- ⦿ MRL State Selection

### Moulik Vyas (VII-E) :

- ⦿ Silver – 50m & 100m, Bronze – 200m
- ⦿ State Selection

### Dakshi Chaudhary (VI-A) :

- ⦿ Silver – 50m, 100m & 200m
- ⦿ State Selection

### Shiva Tholiya (X-C) :

- ⦿ Silver – 100m
- ⦿ State Selection

### Shreya (VII-A) :

- ⦿ Bronze – 50m

## CHESS – DISTRICT & STATE ACHIEVEMENTS

### Neevesh Bagrecha (VII-C) :

- ⦿ District Level : 4th Position
- ⦿ State Level : 1st Position
- ⦿ Open District : 10th Position

## WUSHU – DISTRICT & STATE ACHIEVEMENTS

### Bhumi (VIII-B) :

- ⦿ Gold Medal
- ⦿ State Selection

### Harshit Kanwal (X-B) :

- ⦿ Silver Medal
- ⦿ State Selection

## TABLE TENNIS – DISTRICT & STATE ACHIEVEMENTS

### Dikshita (V-A) :

- ⦿ Bronze Medal – Individual Event
- ⦿ State Selection

## CYCLING – DISTRICT LEVEL ACHIEVEMENT

### Jignesh Soni (IX-A):

- ⦿ Bronze Medal

## YOGA – STATE SELECTION

### Vijendra Pratap (VII-E) :

- ⦿ State Selection

## BASKETBALL – U/17 BOYS – STATE SELECTION

### Harsh Virath (XI-Arts) :

- ⦿ State Selection

## ATHLETICS – DISTRICT & STATE ACHIEVEMENTS

### Aaradhya Sharma (V-E):

- ⦿ Gold Medal – Long Jump, Bronze Medal – 60m
- ⦿ State Selection

### Moksha Bhali (XII-Arts):

- ⦿ Bronze Medal – 400m

### Tanishq Dhaiya (XI-Arts):

- ⦿ Silver Medal – 100m & 200m
- ⦿ State Selection

## RIFLE SHOOTING – DISTRICT LEVEL

### Girishma Gehlot (VIII-B) :

- ⦿ Silver Medal – 600m, 10m
- ⦿ State Selection

## OUR BAND WON FIRST PLACE IN THE DISTRICT LEVEL INDEPENDENCE DAY PROGRAM-

At Mahaveer Public School, we are incredibly proud to have one of the most spirited and lively school bands. Our school boasts two main bands: the Flute Band and the Brass Band. Both bands bring energy, passion, and talent to every performance, but the Flute Band holds a special place in our hearts, and we take great pride in its achievements.

The **Flute Band** is unique because it is made up only of flutes, creating a soft, beautiful, and harmonious sound. On the other hand, the **Brass Band** is a diverse group that includes a wide variety of instruments like trumpets, drums, euphoniums, and more, making their performances lively and full of energy. Both bands perform together at school events, offering a great mix of music that everyone enjoys.

Our students are fortunate to be guided by **Commander Nirmal Kumar Dangi**, whose leadership helps them develop not just musical skills, but also discipline and a strong sense of teamwork. The **Flute Band** has achieved great success, winning **1st place** in district-level competitions on both **Independence Day** and **Republic Day** this year, proving their dedication and hard work.

A proud moment for the **Flute Band** came on **May 12th, 2023**, when they had the honor of performing at the **Marwar Samaroh Festival** in Jodhpur. They performed alongside famous groups like **RAC** and **BSF**, and their performance was a huge success, making our school incredibly proud.

Being in the band isn't just about playing music; it's about teamwork, commitment, and working together towards a common goal. The **Flute Band** is led by **Divya Maheshwari** from Class 11 and **Kartik Gehlot** from Class 4, while the **Brass Band** is guided by **Nandani Soni** and **Darshana Bhati** from Class 9. Their leadership helps inspire the younger students and brings out the best in the band.

At Mahaveer Public School, the **Flute Band** is a shining example of what can be achieved through passion, hard work, and collaboration. We are excited to see what amazing things they will achieve in the future!

## CELEBRATING EXCELLENCE : RITIK MEHTA'S SHIKSHA GAURAV SAMMAN 2024

### MAHAVEER PUBLIC SCHOOL JODHPUR SHIKSHA GAURAV SAMMAN, 2024

**RITIK MEHTA**

In recognition of your outstanding achievements in the Class XII (Commerce), CBSE board results, congratulations on being honored with the **Shiksha Gaurav Samman 2024**.

We are immensely proud to announce that our talented student, Ritik Mehta, has been recognized and awarded the prestigious Shiksha Gaurav Samman 2024 for his outstanding performance in the Class 12 CBSE examinations. Ritik's dedication, hard work, and exemplary results are a true reflection of the values of perseverance and excellence that we strive to instill at Mahaveer Public School. This achievement serves as an inspiration to all our students, and we congratulate Ritik for his remarkable success. We wish him continued growth and success in all his future endeavors.

# IGNITING CREATIVITY AND COMPETITION : CELEBRATING STUDENT TALENTS

We believe that education extends far beyond textbooks and classrooms. To truly nurture well-rounded individuals, it is essential to provide opportunities for students to express themselves in a variety of creative and intellectual pursuits. This year, our school was buzzing with energy as students participated in an array of exciting competitions that fostered creativity, teamwork, and a healthy competitive spirit.

Among the highlights were the **Rakhi Making Competition**, where students crafted beautiful rakhis, celebrating the cultural importance of the festival while showcasing their artistic skills. The **Debate Competition** and **Poem Recitation on Hindi Diwas** gave students a platform to develop their oratory skills, presenting their ideas with confidence and eloquence. These events also promote critical thinking, encouraging students to articulate their thoughts clearly and persuasively.

Artistic expression was a key focus, with competitions like **Postcard Making**, **Card Making (Class 6)**, and **Pop-Up Card Making (Class 7)** allowing students to unleash their creativity through design. The Drawing Competition also saw incredible talent, with students capturing their imagination on canvas, proving that art is a powerful tool for self-expression.

For those with a penchant for problem-solving, the **Rubik's Cube Championship** offered an exciting challenge that tested students' logical thinking and concentration. Similarly, the **Inter-House Quiz Competition** and **Azadi Ka Mahotsav Quiz** gave students a chance to showcase their knowledge, team spirit, and enthusiasm for learning.

Other competitions, such as **Ganesh Idol Making** and the **Board Decoration Competition (Class 6)**, allowed students to combine artistic skill with cultural expression, reinforcing the importance of tradition and patriotism.

These competitions are more than just a chance to win prizes. They instill in our students a sense of discipline, teamwork, and resilience, teaching them to handle both success and failure with grace. At Mahaveer Public School, we understand that fostering a competitive spirit is essential for personal growth. It motivates students to push their boundaries, develop new skills, and take pride in their achievements.

Through such events, we create an environment where students not only learn the importance of healthy competition but also develop a deeper sense of empathy, collaboration, and respect for others. It is these experiences that shape them into well-rounded individuals, ready to face the challenges of the future with confidence and creativity.

In conclusion, the array of competitions held at our School has been a resounding success, and we continue to celebrate the unique talents of our students. These events, and many more to come, are vital to our mission of developing the leaders of tomorrow—students who are not only academically successful but also compassionate, creative, and confident individuals.

# CULTIVATING CREATIVITY AND VALUES : A PEEK INTO PRE-PRIMARY LIFE

At our school, the Pre-Primary section has been nothing short of a whirlwind of creativity, enthusiasm, and endless learning. Throughout the year, our little stars here engaged in a variety of events that have enriched their minds, filled their hearts with joy, and sparked their imaginations. Each event, big or small, has been a testament to the boundless energy and curiosity that our youngest learners bring into the world.

We are dedicated to teaching our little ones important lessons about personal safety and boundaries. From an early age, we help them understand the difference between "**good touch**" and "**bad touch**", empowering them to speak up if they ever feel uncomfortable. Through age-appropriate discussions and activities, we ensure that they grow up with a strong sense of self-respect, confidence, and awareness.

We kicked off the year with the much-anticipated **Barbie and Ken Costume Party**, where our little ones dazzled in colorful outfits, embodying their favourite characters with laughter and cheer. This was followed by the **Janmashtami Celebration**, where the children learned about Lord Krishna's birth through song, dance, and playful reenactments, soaking in the culture with enthusiasm. On **Grandparents Day**, our tiny hands crafted beautiful cards, expressing their love and gratitude to the wonderful grandparents who play such an important role in their lives.

Our journey continued with an exciting exploration of **Incredible India**, where the children immersed themselves in the vibrant cultures, traditions, and diversity of our country. The festive spirit continued with the **Christmas Celebration**, a heartwarming occasion filled with joy, songs, and a visit from Santa himself. As we welcomed the New Year, our little learners embraced the promise of new beginnings with wide-eyed wonder and excitement.

In one of the most imaginative activities, **Exploring the World through Young Eyes**, the children travelled to distant lands through stories, maps, and interactive lessons, expanding their horizons. **The First Day of School** was a momentous occasion, filled with excitement and anticipation as the children embarked on their educational journey. Our School Happy Birthday celebration brought the entire school together in a joyful commemoration of our collective growth and achievements.

The enchanting art of **Storytelling** brought classic tales to life, and the **Umbrella Decoration Competition** encouraged our young artists to exhibit their creativity. Through the

Colour **Red with Food** activity, the children not only discovered the world of colors but also learned about healthy eating in a fun and engaging way. National pride soared during the **Independence Day Celebration**, where the children expressed their love for the nation through songs, dances, and crafts.

The bonds of love were celebrated during **Raksha Bandhan**, where siblings tied rakhis, symbolizing the bond of protection and affection. Another joyful **Janmashtami Celebration** followed, bringing the children back into the festive spirit with a deeper understanding of the mythological tales surrounding Lord Krishna.

**Ganesh Chaturthi** and the concept of **Samvatsari** allowed our little learners to engage in both art and reflection, as they decorated idols and understood the value of forgiveness. The Veer Gatha Project inspired our children with stories of bravery, teaching them the importance of courage and resilience.

Our cultural festivities continued with the lively Twirl **Dandiya**, where the children learned the traditional dance of Navratri, and **Face Painting** allowed them to express their creativity in vibrant and colorful ways. **Handi Decoration** was a fun, hands-on activity that brought the children closer to the spirit of Janmashtami, while the Postcard Activity allowed them to send heartfelt messages and greetings to loved ones.

As Christmas rolled around once again, the school was filled with festive cheer and the magic of the season. The second Janmashtami Celebration brought even more joy, allowing the children to revisit the stories and traditions surrounding the birth of Lord Krishna. On Gandhi Jayanti, we took a moment to reflect on the life and teachings of the Father of the Nation, instilling values of peace and nonviolence in our young hearts.

A special Puppet Show captivated our little ones, bringing classic stories to life through the art of puppetry. The children were then treated to a magical Children's Day Celebration, a day dedicated to them, filled with laughter, play, and a reminder of the magic of childhood. Diwali was another colorful highlight, with a mesmerizing puppet show that reimaged the epic tale of the Ramayan, teaching the children about the values of good triumphing over evil.

Through each event, our little stars have not only learned but have also thrived, growing in confidence, creativity, and compassion. These celebrations have provided them with a rich, vibrant tapestry of experiences that will shape their love for learning in the years to come. With each passing day, our pre-primary children continue to shine brighter, one joyous celebration at a time.

# PARENTS AND ALUMNI REFLECTIONS : A JOURNEY OF GROWTH, TRUST & APPRECIATION

## PARENTS MESSAGES

We would like to extend our deepest thanks for the guidance and support you've given to our son. Karan's achievement of 91% in the 2023-24 academic year means so much to us, and we know it would not have been possible without the dedication of this school and its exceptional teachers.

Our gratitude goes out to each teacher who has inspired Karan with knowledge, encouragement, and a passion for learning. Your support has been invaluable, mentorship has made a lasting impact on our son.

Thank you for creating such a positive and inspiring environment for Karan and so many others. We feel truly blessed to be part of this wonderful school community.

Warm regards,

**RITU SINGHVI**

We are deeply grateful to our child's school, as it provides a nurturing environment where they can thrive academically, socially, and emotionally. The teachers and staff are dedicated and compassionate, always going above and beyond to support our child's growth and development. The school's commitment to fostering curiosity, creativity, and critical thinking gives us confidence in our child's future. We appreciate the sense of community it offers, and the strong foundation it is helping to build for our child's success, both now and in the years to come.

**SACHIN JAIN &  
SWEETY JAIN**

We are very thankful to the school that it provided a positive learning environment and helped our child grow academically, socially and emotionally.

**DIVYA CHOPRA**

We would like to extend our sincere gratitude for the inspiration and guidance you have provided our child . We are delighted with the fact that Vanshika accomplished 93% in 12th boards in the academic year 2023-24 which would not have been possible without your support, guidance, sincerity and hardwork towards the academics of each every child in the school.

Thank you for nurturing our child's curiosity and kindness, your school is more than just a place of learning, it's a home away from home for our daughter. We're grateful for the dedicated teachers who inspire and challenge our child every day. The emphasis on creativity and critical thinking has truly ignited a spark in our child. We're amazed at how much they've learned and grown under your care.

We are really grateful to the school and it's remarkable teachers for the warm and inclusive community you've built. We're confident that the strong foundation our child has received at your school will serve them well for years to come.

Kind Regards

**DEV KISHAN CHELANI**

We are thankful for the knowledge, guidance, and care provided by the school that has played a pivotal role in our ward's academic journey. The dedication and hard work of the teachers have not only imparted valuable academic skills but have also helped nurture qualities such as discipline, perseverance, and a love for learning. The positive environment at the school has contributed into making her a confident and driven individual. Thank you.

**DISHA MEHTA**

As parents, we are very thankful for everything the school did for our children. We see the effort teachers put into helping our kids grow and succeed, not just in schoolwork but in their confidence and social skills too. We're grateful for the positive and caring atmosphere you've created, which helps our children feel safe and supported every day. Thank you for your hard work and dedication.

**DIYA KHINVSARA**

Our heartfelt gratitude to the school that nurtured our child( Ritik Mehta) from Nursery to Class 12. The school's dedication and guidance helped our child excel as one of the toppers. It gave so much to our child, shaping them into a confident and accomplished individual. Thank you for being such a significant part of our journey !!

**Regards**

**PARAS RAJ MEHTA**

The goal of a school is the advancement of knowledge and dissemination of truth but for MAHAVEER PUBLIC SCHOOL, the things are extraordinary. It is a place where every gem is nurtured well and everyone stands out proud amidst everyone so as our ward Kanishk Bhati. This place serve the best of its amenities in the form of best learnings and skill development to every learner. Here, every child feels distinctive and happy . We think that the schools as it's behaviour point system's works appropriately and encourages children to do better and be successful in every possible dimension.

The personnel is accomplished and skillful which makes the campus pre - eminent . The punctuality, creativity and uniqueness of the educators are truly commendable as they are the potters which helped us in shaping the life of our child . The slogan "GYAANA SHAKTI SRIJAN" is itself verifiable because for all the students here, knowledge is the power. This institution doesn't make replicas , indeed it makes its own zestful personality. May this school be blessed till infinity sustaining its original strength.

**RAJ KISHORE BHATI**

**MAMTA BHATI**

Dear Mahaveer Public School Team,

I'm deeply grateful for the exceptional education and support my son (Purudeep Singh) received from nursery to 12th grade. Your dedication, guidance, and encouragement have been invaluable.

Thank you, Principal Ma'am, teachers, and staff, for creating a nurturing environment that fosters academic excellence and personal growth.

Best regards,

**ROOPAL KANWAR**

As parents, reflecting on the 12 years our child has spent at this school, we feel immense gratitude and pride. From the very first day, the school has been a place of growth, support, and inspiration for our child. The teachers have consistently gone above and beyond, not only delivering high-quality education but also fostering an environment where curiosity is encouraged, and personal development is a priority. Over the years, we've seen our child mature into a confident, responsible, and compassionate individual, ready to take on new challenges.

We truly appreciate the school's emphasis on both academic excellence and character development. The balance between rigorous coursework, extracurricular activities, and a supportive learning environment has allowed our child to thrive in all aspects of life. The school's commitment to creating an overall well-rounded experience has helped shape not just their knowledge but their values—integrity, empathy, and perseverance.

The communication and support from the staff have been exceptional. We always felt well-informed and confident in the school's ability to guide our child through each stage of their journey. We are also grateful for the strong sense of community that the school fosters, which has made us feel connected and involved throughout these years.

As our child prepares to move on to the next chapter, we look back with gratitude for the invaluable experiences and lessons gained. We can confidently say that this school has played a pivotal role in shaping the person our child is today, and for that, we are forever grateful...

**SUNIL BANBHERU**  
**PRIYANKA**

We are extremely pleased with the overall experience my child has had in this school. The teachers are not only knowledgeable but also genuinely care about their students' well-being and growth. The school provides a dynamic education, including extracurricular activities that help my child develop important skills beyond the classroom. The administration is approachable, and communication with parents is always clear and timely. It's reassuring to know my child is in such a supportive and enriching environment.

**NAVEEN GAHLOT**  
**USHA GAHLOT**

Respected Mahaveer Public School,  
 Teachers are very helping nature.  
 They sort out any problem of children  
 very quickly. I appreciate  
 children for participating in games.  
 Many co-curricular activities like Zistival,  
 Kho-Kho competition etc take place here.  
 Every child is given special attention.  
 Principal mam is very co-operative. I  
 am happy to find such a nice school  
 for my child.

Thank you

Yours sincerely,  
 Mother - Deepika Bagaria  
 Father - Nirmal Bagaria

### Expression of Gratitude

To the Honorable Principle and Teachers of  
 Mahaveer Public School.

We wish to express our heartfelt appreciation and  
 gratitude for the exceptional education and care  
 provided to our child. The dedication, support,  
 and guidance offered by the school have been  
 instrumental in our child's academic, social,  
 and personal growth. My word is grateful for the  
 opportunity to be a part of this school, where  
 they have received constant encouragement and  
 mentorship.

We were particularly impressed with discipline of  
 Teachers and students, encouraging programs  
 and activities which has had a profound impact  
 on our child's development. The school's emphasis  
 on personality development and co-curricular  
 activities has helped our child develop into a  
 confident and responsible individual.

Please accept our sincerest appreciation for all  
 that you do to create a conducive learning  
 environment.

Thank you for being an integral part of our  
 child's educational journey.

Babulal Gayal  
 Renu Gayal

बच्चों के पूर्ण विकास के लिए परिवर्तन और परिवेश  
 दोनों का महत्वपूर्ण योगदान है। परिवर्तन के लिए  
 घर और परिवार उत्तरदायी हैं, वहीं परिवेश के लिए स्कूल  
 घर बहुत जवानुमति से स्वीकार करते हैं कि हमारी  
 बच्ची को आपके विद्यालय में आदर्श परिवेश मिल रहा  
 हमारी बच्ची के शैक्षिक उत्थान व सांस्कृतिक उन्नति में  
 आपके स्कूल की प्रमिता शब्दातीत व प्रशंसनीय है।  
 पूरे विद्यालय परिवार को साधुवाद और हमारा कोटिंग:  
 सत्यवाद।

Mahaveer public school, Jodhpur  
 is an ideal educational institution  
 that provided excellent education  
 to its student. The school not only  
 focuses on academic excellence but  
 also on the personal development and  
 character building of its students. The  
 experienced and dedicated teachers  
 provided the right guidance to the  
 students and prepare them for  
 the future. The school's discipline  
 and secure environment provide an  
 ideal atmosphere for students to learn  
 and grow. I am very happy to have  
 my child study in this school.

Father's name = Jagashwar Chaf  
 Mother's name = Namla Chaf

Yash  
 Chaf

I am happy to say that school is good  
 in knowledge and studies. All types of smart  
 Technology are also here. It helps our  
 child to also get know about New Technology.  
 There are different types of prayers here and  
 no discrimination in caste and Religion.  
 There are also other activities like Yoga,  
 Dance etc for Physical Health. There are  
 also Education Tour to learn about  
 how to manage and adjust in  
 different ~~Environment~~ Environment. The Teachers  
 are also helpful for our child. Teachers  
 also Teachers for also Teachers nice.

Respected Mahaveer Public School, Jodhpur

This school is friendly and caring environment  
 that encourages pupils learning and development.  
 Best school office staff were even experienced.  
 The teacher at the school are excellent. I think  
 the school has been very nurturing towards my  
 son and he is really happy at the school.  
 Such a fantastic school. I can see the improvement  
 in my child. Can't thank you enough for your  
 contribution. My child likes this school. All here  
 are polite and friendly. I recommend this school  
 to everyone I see. My child feels happy.  
 My son receives excellent support beyond what  
 is expected at the outset.

Thank you to teachers and  
 respected principal mam

## ALUMNI MESSAGES

*Dear Alumni,*

*Thank you for making us proud.*

*- Mahaveerians*

The time in school is special to everyone and especially being with such a great school, teachers and staff which made the time more special and helped to gain knowledge and in other activities I am really thankful for everything which I learnt in school...

Always going to remember those memories of the time we spent with teachers and friends.

**SIDDARTH P JAIN**

**XII-D (Commerce) 90.8%**

I am truly grateful for school because it provides me with the opportunity to learn, grow, and discover new things every day. It offers a space to develop important skills, make lasting friendships, and explore subjects that shape my future. I'm thankful for the teachers who guide and inspire me, and for the resources that help me reach my potential. School is a stepping stone to a brighter tomorrow, and I appreciate everything it offers me....

**SHLOK JAIN**

**12th 'D' (Commerce) 93 %**

I am Vaibhav Moondra from class 12th Commerce stream and I recently achieved 91% in my exams. I sincerely thank Mahaveer Public School for providing me with an excellent learning environment. The dedication of my teachers, the resources available, and the encouragement throughout my journey have been invaluable. I am deeply grateful for the knowledge and values instilled in me, which have helped me achieve this milestone. Thank you for shaping my future and supporting my growth.

**VAIBHAV MOONDRA**

**12th Commerce**

This is a message from me and my parents to thank my school Mahaveer Public School for such a great nurturing environment in each and every field whether it's academics , sports , or other curriculum activities . The support , encouragement , and continuous guidance from teachers and staff had laid the foundation for success and helped me to score and perform brilliantly on my 12th board exams .

**SUHANI CHOUDHARY**

Hello !

I just wanted to take a moment to share something important with you. This is the perfect time for you to explore yourself, discover your qualities, and figure out what you're really passionate about. Don't be afraid to step out of your comfort zone and push your limits—taking risks now can lead to amazing opportunities in the future.

Remember, you're in school right now, so make the most of it! Enjoy this time in your life and focus on your studies and experiences. Don't get too caught up in other activities; school days are precious, and they'll fly by before you know it!

Take care and make the most of this journey!

**MOHIT SARASWAT**

**Batch 2022-23**

I firmly believe that my school instilled in me the confidence that success is not limited to being a top academic performer. If you excel in co-curricular activities and sports, maintain regularity, and approach your classes with sincerity, nothing can stop you from shining.

A heartfelt thank you to everyone at the school—from Mahendra Bhaiya to Principal Ma'am and the management—for fostering such a nurturing environment.

**HARSHUL SONI**

**Ex-Head Boy**

**Batch 2022-23**

I, Jayakshi Soni, would like to express my heartfelt gratitude to my teachers and our respected Principal Ma'am for providing me with the best environment for both academics and co-curricular activities. Although I joined the school in 11th grade, the nurturing and supportive atmosphere enabled me to prove myself and thrive.

It is because of this loving and encouraging environment that I was able to blossom and achieve significant milestones. I am proud to have been the school topper and to have secured admission to Delhi University, a feat made possible by the confidence instilled in me during my time at school.

**JAYAKSHI SONI**

**Humanities Topper**

**Batch 2022-23**

I, Saloni Chittara, would like to express my heartfelt gratitude for the invaluable lessons I learned at my school. These teachings have been instrumental in shaping my journey, and today, I am proud to be a successful entrepreneur with my own brand, \*Pichhori\*. The confidence instilled in me by my teachers continues to guide me, enabling me to handle clients with grace and professionalism.

Thank you!

**SALONI CHITTARA**

**Batch of 2015-16**

It was an honor and privilege to have served as your Head Boy. I cherish the memories of my time at school, where I was able to grow both academically and personally. I'm grateful for the opportunities to participate in extracurricular activities, which allowed me to explore my passions and develop valuable skills.

I extend my heartfelt thanks to the dedicated faculty and staff who have always been a source of inspiration and guidance. I'm also thankful to my fellow students for their support and camaraderie.

I'll never forget the thrill of representing our school at the inaugural MPSMUN and the joy of volunteering at our annual cultural fest. These experiences were instrumental in shaping me.

I miss my second home!

**KUMAR SWARAJ**

**Ex-Head Boy**

**Batch 2019-20**

# ANNUAL DAY CELEBRATION

## SANKRUTYAYAN

### A Grand Showcase of Talent and Heritage

The much-anticipated Annual Day celebration at our school was a two-day extravaganza that left everyone spellbound. With over 1,000 students participating, it was a true testament to the creativity, teamwork, and dedication of the school community. The event was meticulously planned and executed, thanks to the combined efforts of the art, sound, and lighting teams, whose hard work brought the stage alive with color, vibrancy, and energy.

### Reimagining Folklore: Vicky and Betal for the Modern Era

The Junior Annual Day, with the theme **Vicky and Betal**, reimagined the timeless story of Vikram and Betal in a refreshing and contemporary manner. The show revived the lost art of storytelling while incorporating modern values and lessons. The energetic performances, stunning costumes, and well-coordinated dance-dramas and skits showcased the juniors' immense talent. The event was graced by Chief Guest Mr Himanshu (IAS), who commended the school's effort in blending tradition with innovation. The young performers received a standing ovation for their spirited portrayal of this classic tale with a modern twist, highlighting the importance of morals in today's world.

### Through Chanakya's Eyes: Honoring Courage, Strategy, and Sacrifice

For the middle and senior students, the theme centered around **Chanakya** and celebrated inspiring moments from the lives of Indian icons. The performances paid homage to the strength and resilience of figures like Jijabai, whose guidance shaped Shivaji into a great leader; Padmini, whose courage in the face of adversity continues to inspire; and Karna, whose nobility and loyalty were vividly depicted through a magnificent chariot designed by the art department. Chanakya, portrayed as the narrator, wove these stories together with his thought-provoking lines, emphasizing their relevance to modern times. The Chief Guest for the evening, **Maninderjeet Singh Bitta**, lauded the students for their powerful performances and the school for fostering such creative endeavors. **Behind the Scenes** The success of the Annual Day was a collective achievement. The art department's stunning backdrops, props, and set designs transported the audience into the worlds depicted on stage. The sound team ensured every line and musical note resonated perfectly, while the lighting team created an ambiance that brought each scene to life.

### A Celebration of Talent and Unity

The Annual Day was not just a cultural event but a celebration of teamwork, dedication, and the rich heritage of our country. It left the audience inspired and proud, proving once again that the stage is not just a place for performance but a platform for learning and growth.
